SPEAKER PROFILE

Eisuke Nakamura

Transport Specialist
Asian Development Bank

Eisuke Nakamura is a Transport Specialist at ADB, with more than 20 years of professional experience in the road transport sector. Prior to joining ADB, he worked at Japan's Ministry of Land, Infrastructure, Transport and Tourism. His areas of expertise include bridge engineering, road asset management, and carbon-neutral practices in civil construction. He holds a Ph.D. in Civil Engineering from Tohoku University, Japan, a master's degree in Structural Engineering from the University of Texas at Austin, and a master's degree in Environmental Studies from Nagoya University, Japan. He is also a licensed Professional Engineer in Japan.
