

SPEAKER PROFILE

Johan Forseke

.....
**Head of APAC
Greater Than**

As Head of APAC at Greater Than, Johan Forseke provides the automotive and mobility sectors with access to global risk intelligence. Based in Singapore, he leads the company's business across the Asia-Pacific region, enabling OEMs, mobility providers, and insurers to leverage AI-driven risk intelligence that predicts crash probability and climate impact. With a deep understanding of the APAC mobility landscape, Johan is dedicated to bringing predictive risk intelligence to the region to help the industry prevent accidents before they happen.
