

2026 ASIAN REGIONAL FORUM ON INVESTMENT MANAGEMENT OF FOREIGN EXCHANGE RESERVES

7 – 9 OCTOBER, HANOI, VIETNAM.

SUMILA WANAGURU

Director
Investment Management Department
Central Bank of Sri Lanka

Sumila Wanaguru is Director of the Investment Management Department at the Central Bank of Sri Lanka. In this role, she oversees the management of the country's international reserves and the Central Bank's internal funds. She is also responsible for managing operational and financial risks associated with investment activities, serving as the first line of defense in the institution's risk management framework.

Prior to her current position, Dr. Wanaguru served as Director of International Operations and held senior leadership roles in the Economic Research and Public Debt Departments, including Additional Director, Additional Superintendent, Deputy Director, and Senior Economist. Over the course of her career, she has gained extensive experience in international finance, reserve management, public debt management, monetary policy implementation, and international operations.

Dr. Wanaguru has published research in both local and international journals, including the Journal of International Money and Finance, and has served as a resource person for various universities and institutions. Her research interests include financial and international economics, applied econometrics, monetary economics, and macroeconomics. She holds a Ph.D. in Economics and an M.Sc. in International and Development Economics from the Australian National University, as well as a B.A. in Economics from the University of Colombo. She is also qualified as an Attorney-at-Law.
