ROBERT REKASI

Head

Foreign Exchange Reserves Management
Central Bank of Hungary

Robert Rekasi currently oversees the reserve management activities of the Central Bank of Hungary. In this role, he supports the implementation of monetary policy and manages the institution's Australian dollar and Chinese renminbi portfolios, contributing to the diversification and resilience of Hungary's foreign exchange reserves.

With over 20 years of experience in the financial sector, Mr. Rekasi has held roles in economics, foreign exchange trading, and portfolio management.

Mr. Rekasi graduated as an economist with a specialization in finance from the Budapest University of Economics. He is a Chartered Financial Analyst and holds the Certificate in Investment Performance Measurement.
