Catalyzing Innovations and Digitization for Safe, Sustainable, Resilient, and Inclusive Water Management

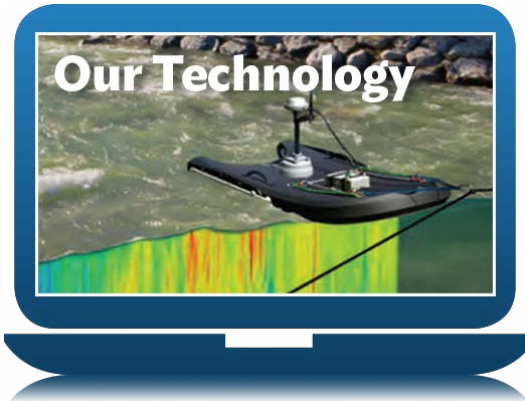

LAUNCH OF E-MARKETPLACE AND PUBLICATIONS

15-19 March 2021

Smart Water, Smart Instruments

Name of Organization	Xylem Analytics
Location	Singapore
Year Registered	2011

Technology Profile

Xylem is showcasing a range of proven smart water technologies and highlighting the company's deep application expertise, which together can help communities tackle critical water challenges and support sustainable, resilient water management.

Xylem's brands that feature industry-leading water measurement products include YSI, SonTek, WTW, and Global Water. These smart water solutions are built on a framework of precise and reliable measurement of water quantity and quality. Each plays a role in serving the water industry.
