

SPEAKER PROFILE

Natsuko Totsuka

.....
***Country Operations Head
Afghanistan Resident Mission
Asian Development Bank***

Ms. Totsuka is the Country Operations Head at the Afghanistan Resident Mission of the Asian Development Bank. Prior to joining the AFRM, she was responsible for portfolio management of water resources, irrigation, and agriculture projects across Central and West Asian countries, including Afghanistan. She has also served as a mission leader for the processing and implementation of ADB-financed flood management, water resources management, and irrigation infrastructure projects in Central, West, and South Asia. She brings a multidisciplinary background in civil engineering and development studies.
