Real Solutions for Real Life

#AATC26

Welcome

The Australian Rehabilitation and Assistive Technology Association (ARATA) and the 2026 Conference Organising Committee extend a warm invitation to your organisation to partner with us in the upcoming 2026 Australian Assistive Technology Conference (AATC2026).

This event is scheduled to take place at the iconic Melbourne Cricket Ground (MCG) from November 11-13th, 2026.

ARATA serves as a national association for facilitating information exchange and collaboration among individuals involved in the use, prescription, customisation, supply, and ongoing support of assistive technology. Since its establishment in the mid-90s, ARATA has been at the forefront of organising various assistive technology-focused events, including a biennial conference renamed the Australian AT Conference (AATC) in 2016.

The theme for AATC2026 is ***Real Solutions for Real Life***, with a focus on low to high to innovative assistive technologies, home modifications and automation and the user experience of integrating assistive technology in daily life.

AATC2026 anticipates hosting over 300 delegates including AT users, technology developers and providers, rehabilitation engineers, occupational therapists, physiotherapists, speech pathologists, nurses, psychologists, education specialists, academics, government representatives and funders of AT.

Melbourne
Cricket Ground
November
11-13th, 2026

This two-day conference, preceded by a day of workshops, promises to be a focal point for insightful discussions, knowledge sharing, and networking opportunities for professionals and enthusiasts in the field of assistive technology and home modification.

We invite you to be a key part of the sessions and exciting exhibition highlighting the latest AT products and innovations.

AATC2026 is going to be different for our sponsors. We want you to be part of the program.

To increase the reach of the exhibition, the general public will have free access to the exhibition at a nominated time during the event. AATC2026 is a great opportunity to engage with all AT stakeholders.

Your participation is crucial to the success of the conference, and we encourage you to join us at the MCG sharing your experiences of AT and innovative developments with the wider ARATA network.

We look forward to hearing from you.

Sustainability Matters

We are very pleased and excited to make AATC 2026 as sustainable as possible to reduce the carbon footprints associated with attending the Conference.

Here are some of the many ways we will practising sustainability:

- recycling of packaging,
- donatable goods, equipment, and furniture;
- and
- reduce waste as a whole.

Click on [this link](#) for further information on the ways the venue are helping towards a truly sustainable event.

Conference Themes

This year our theme “**Real Solutions for Real Life**” reflects the need for practical and sustainable assistive technology whilst spotlighting innovation and product development driven by user needs and experience.

The scientific programme focuses on low to high to innovative assistive technologies, home modifications and automation and the user experience of integrating assistive technology in daily life.

Real Solutions for Real Life

Why Sponsor and Exhibit

This is not your typical conference.

AATC2026 is going to be different.

AATC2026 wants you to be an active part of the conference.

We want you off the sidelines!

AATC2026 will be intimate – with functional spaces that encourage conversations and engagement

Opportunities to:

- ✓ Present new ideas, research and product development
- ✓ Potentially collaborate on workshops
- ✓ Network with industry colleagues and key decision makers
- ✓ Stay connected to trends and issues
- ✓ Provide attendees with hands-on experience with products and/or services
- ✓ Interact with key therapists, AT users and researchers at a premier international industry conference

From start-ups and small businesses through to manufacturers and suppliers – AATC2026 can scale and provide a variety of opportunities for you to be an active participant.

Not sure how you could participate? Reach out and have a discussion.

Commitment levels vary and can be tailored to suit your needs, sales and marketing strategies.

Sponsorship and Exhibition Opportunities

AATC2026 is doing things differently.

As AT providers and manufactures we value you as part of the intervention process and want to offer you more than exhibition space this year.

In the 2026 program AATC will facilitate **Assistive Technology in Focus** spotlight sessions which will be embedded into the program and offered as part of sponsorship opportunities. These sessions are unique and are designed to share the following themes:

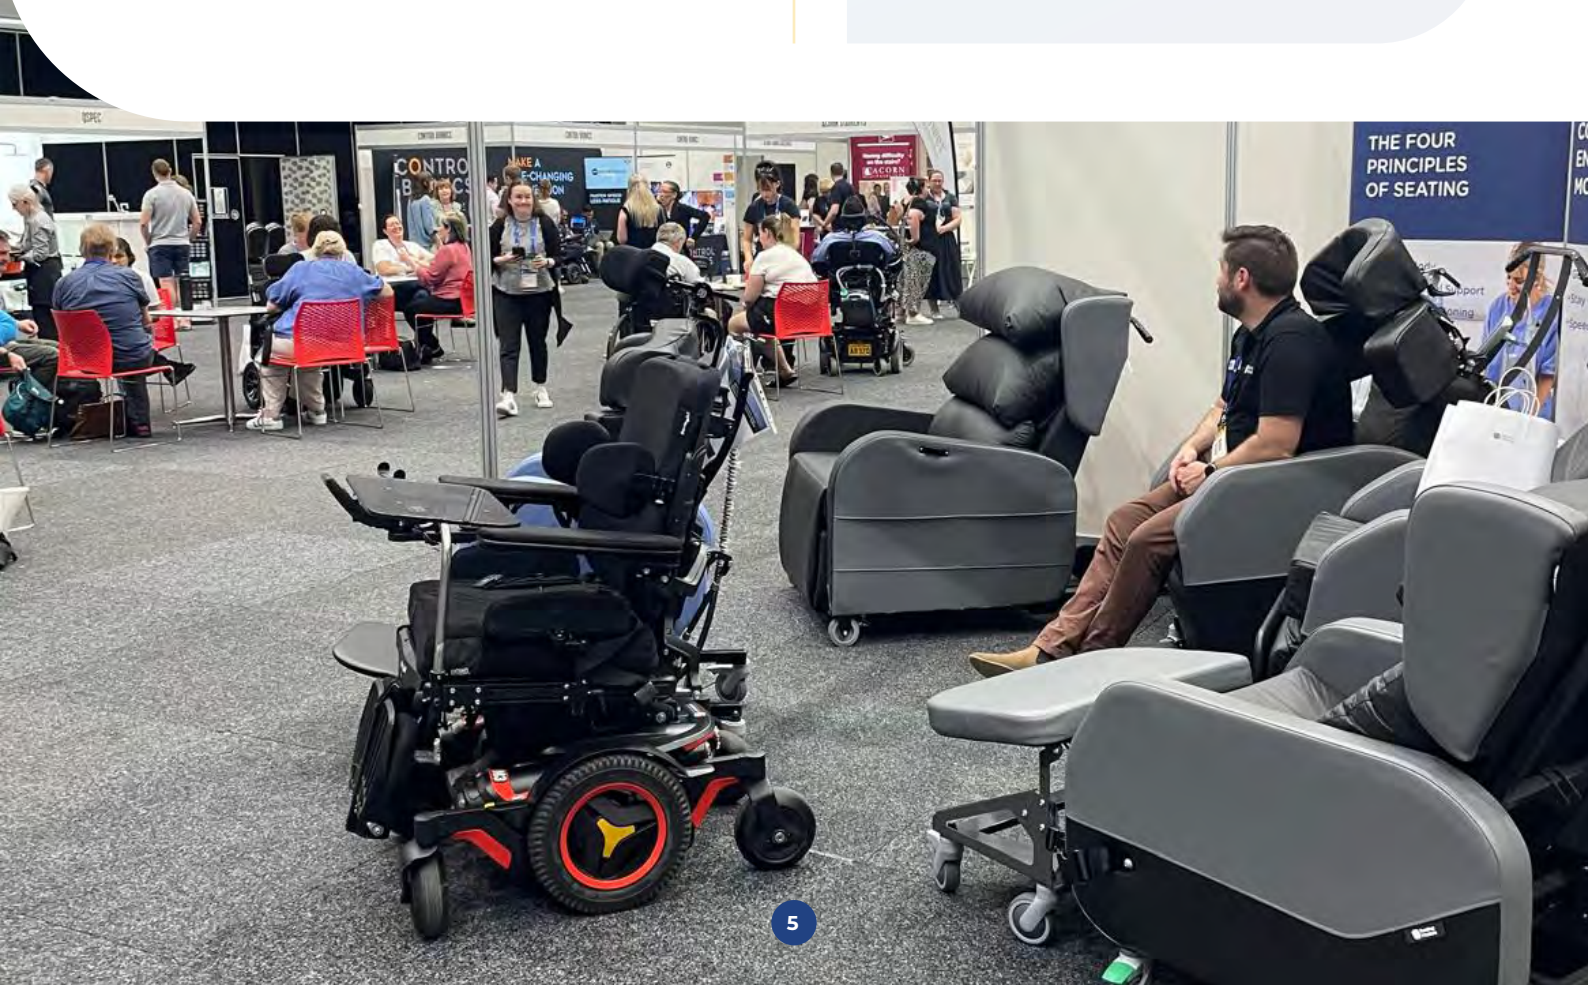

- The design or engineering process of a product
- Provide an overview of the development process for a specific product
- Provide insight into new technology
- Research and/or investigation findings
- A case study
- Be evidence based
- Other ideas? – Let's discuss insights and learnings that would be of interest to attendees

Please note that these sessions are not a sales pitch. The idea is to share information which would not typically be accessible, is of interest to ARATA members and will provide a positive impact to clients and end users. It is also an opportunity for you to share what is unique to you. The session theme, abstract and outline will need to be approved prior to the session.

The following are available:

- 30min session offered to platinum sponsors (1-2 opportunities)
- 20min sessions offered to gold sponsors (3 opportunities)
- 15min session offered to silver sponsors (4 opportunities)

In addition, if you have a workshop idea or would be open to supporting a workshop by providing equipment and/or product knowledge led by a leading therapist, then please advise. Where appropriate the committee will seek to connect sponsors with additional opportunities.

Industry Trade and Public Morning Expo Sponsor

Exclusive Opportunity
\$5,000

This is a sponsorship of a dedicated morning segment of the Conference. It provides an exclusive opportunity for conference attendees, the public, students in the field, and invited guests to visit the exhibition hall and attend the Keynote Speaker presentation. The exhibition hall is open to the public and other visitors at allocated times (allocation of time to be advised once program confirmed).

During these times, all Exhibitors are encouraged to invite local guests to visit their displays who are not delegates to the conference or pre-conference workshops.

Discount

- Opportunity to purchase a 2m x 3m booth at a discounted rate

Registration and Social Functions

- 1 Complimentary Conference Registration including access to the Exhibition Hall, Catering and Networking Event
