GLOBAL URANIUM CONFERENCE 2026

Gathering a World of Experience

Join us in Adelaide on Wednesday 7 – Thursday 8 October for Global Uranium Conference 2026 (GUC 2026) - the essential event for all participants in the nuclear fuel cycle looking to stay ahead in the sector.

The conference provides a unique opportunity to engage with global leaders and industry experts. The two-day event features a single stream plenary with high-profile keynote speakers, interactive panels, and Q&A sessions, all tailored to address the latest advancements and challenges for uranium mining in a fast-changing world.

Attendees will benefit from networking opportunities during formal and informal social functions, allowing for meaningful discussions with Australian and international uranium miners, investors, and emerging leaders.

Don't miss this chance to gain insights, forge connections, and drive innovation within the sector. Contact now to secure your involvement at GUC2026!

GLOBAL URANIUM CONFERENCE 2026

Gathering a World of Experience

INVITATION TO SPONSOR

South Australia is the nation's largest producer of uranium, supplying low-carbon energy to the world.

The state has a proud track record of safely producing uranium for export since the opening of the Olympic Dam Mine in the 1980s. It has a world-class regulatory framework and more than 35 years of experience in producing uranium for export.

WHY SPONSOR AND EXHIBIT AT GUC 2026?

	Maximum exposure at a premier international industry Conference
	Time to network with industry colleagues and key decision makers
	An opportunity to build and reinforce strategic relationships
	The chance to affiliate your brand with unique and dynamic Conference packages
	The opportunity to demonstrate your company's commitment to the industry
	Access to a broad network of industry partners from the public and private sectors
	Opportunity to present latest innovations and new products or services to a pertinent audience
	Showcase your expertise and capabilities, and educate the industry
	Increased marketing opportunities including visibility on the Conference website and marketing materials
	Stay connected to trends and issues

SUSTAINABILITY GOALS AT SKYCITY ADELAIDE

Events at SkyCity recognises that sustainability is critical to all levels of business and operations.

Part of being a responsible business is understanding the impacts arising from current and future processes. SkyCity Adelaide's sustainability initiatives focus on positive outcomes for culture, the community, employees, and suppliers.

To lessen impact on the environment, a number of ethical and eco-friendly measures have been adopted:

- SkyCity is certified carbon neutral.
- All Events at SkyCity catering is created in-house.
- 88% of fresh produce is sourced from South Australia reducing transport and refrigeration requirements.
- Single use plastics are banned in SkyCity's food, beverage, and production areas.
- 100% waste diversion from landfill.
- Food waste is collected for composting.
- Dry waste is recycled or repurposed for building materials.
- Tablecloths are not offered for meetings, minimising unnecessary energy and water use.
- Menus, coasters, paper napkins, and straws are all compostable.
- All beverages are served and contained in glass bottles which are recycled or reused.
