Event Partner

CommBox

CommBox understands the challenges that educators face when it comes to teaching in today's modern classrooms. That's why we have designed our interactive and non-interactive screens with education in mind, providing a simple and engaging way to present, collaborate, inform, and manage your classroom.

Major Sponsors

Banqer

Banqer is the leader in classroom-based financial education, with innovative tools to make it easy for teachers to deliver impactful, engaging learning experiences. Through real-world financial simulations, Banqer empowers students to thrive financially and reach their full potential beyond the classroom.

Netsafe

Netsafe is New Zealand's leading online safety Not-for-Profit, with a 25-year history supporting schools to develop their approach to online safety and digital citizenship. Our 7-day a week confidential helpline supports schools through online incident management and our harm prevention products and services are increasingly delivered flexibly online.

Evaluation Associates Ltd

At Evaluation Associates | Te Huinga Kākākura Mātauranga, we know what keeps educators up at night — making sure every ākonga gets a great deal. That means putting effective teachers in front of them, building strong leadership, and achieving equitable outcomes. We work with schools and kura to strengthen pedagogical practice, grow leadership capability, refine school-wide systems, and build cultural capability.

Network for Learning

Network for Learning is a crown-owned company, providing fully funded, faster, safer internet to more than 2,500 schools and kura and 900,000 tumuaki, kaiako and ākonga across Aotearoa. Our safety and security solutions, including web filtering, firewalls, DDoS protection, email security, segmented networks, and cybersecurity services, help schools keep ākonga safer online.

FACTS

With over 35 years of experience, FACTS partners with 12K+ schools and 3M families globally, delivering innovative education technology. Our School Management platform streamlines student and family management with a flexible API library for tailored ecosystems.

Sorted in Schools - Retirement Commission

The Retirement Commission operates Sorted.org.nz and Sorted in Schools, reaching over 80% of New Zealand secondary schools since 2018. It also leads the National Strategy for Financial Capability, bringing together 1000+ partners from the financial sector to improve the financial wellbeing of New Zealanders, the latest strategy having a strong focus young people.

Google For Education

Google for Education tools work together to transform teaching and learning so every student and educator can pursue their personal potential.

PPTA Te Wehengarua

PPTA Te Wehengarua is the professional association and union of teachers and principals committed to improving secondary education for New Zealand students. We welcome principals and senior leaders as members of the PPTA and offer support and practical advice.

Linewize

We help schools protect students and support their wellbeing in an increasingly online world. Our solutions empower every member of the school community to take an active role in safeguarding children online. By providing insights into what's happening to and for their students, we enable educators and parents to better understand and address the challenges our tamariki face.

Associate Sponsors

EATucation

EATucation is a Social Enterprise founded by a Michelin-Trained chef and Hospitality/Food Technology teacher. Our ready-made resources and NZQA assessments save schools money, give teachers the gift of time, and improve learning outcomes!

Education Perfect

The Education Perfect Group is the leading Australia and New Zealand group of EdTech companies. Combining Education Perfect, Essential Assessment and EdPotential, the Education Perfect Group serves more than 5,250 primary and secondary schools and 2.2 million enrolled students worldwide.

Learning Spaces Global

At LSG, we're a Kiwi-owned company based in Nelson, creating school furniture that brings out the best in every space—and everyone in it. We work with primary and secondary leaders to reimagine classrooms, libraries, staffrooms, and breakout areas using premium birch plywood.

New Era Technology

Partnering with schools across New Zealand to deliver tailored IT solutions that enhance learning and streamline operations. From secure cloud services and cyber security to managed IT and classroom collaboration tools, we help schools create future-ready digital environments.

Officemax

OfficeMax is New Zealand's leading education solutions provider, with tens of thousands of products available – from educational tools and classroom furniture, to cleaning essentials and technology, we've got everything you need to build an innovative learning environment.

PhotoLife

PhotoLife is New Zealand's leading school photography company as we combine a unique understanding of school environments through three previous teachers across three generations and a dedicated team with a passion for school photography.

tes

Tes powers schools and enables great teaching worldwide, by creating intelligent online products and services to make the greatest difference in education. Tes is an international provider of software services to make life easier for schools and teachers.

Supporting Sponsor

Rotorua Education Network

Offering tailored experiences for schools travelling to Rotorua and throughout New Zealand. We provide a range of services to make school trips as smooth and stress-free as possible, including; customised itineraries tailored to your specific requirement, accommodation options to suit all budgets and group sizes, transport options, expert advice and support from our team of experienced professionals.
