WELCOME TO NMC2025

The Peace Equation: Crafting & Connecting

Welcome to the National Mediation Conference 2025 (NMC2025), to be held at the Sheraton Grand Sydney Hyde Park.

We recognise the commitment of our collaborators and supporters and look forward to working with each of you again to promote the invaluable work of the mediation and ADR sectors in our region.

NMC2025 is a landmark event celebrating the rich diversity of dispute resolution practice and innovation in the field with the exchange of skills and ideas and the exploration of new frontiers. In particular, NMC2025 is being designed to acknowledge the valuable work and skills of community mediators. Alongside the traditional streams covered by our conferences, at NMC2025, we will be celebrating and highlighting the innovation and life changing practice of community mediators. Community mediators are renowned in the peace building field for how they engage, collaborate and serve communities everywhere.

NMC2025 will inspire bold, fresh thinking, that sharpens our understanding of what we as practitioners craft and how we connect.

WELCOME TO SYDNEY ...

The National Mediation Conference 2025 will be held in Sydney, with a variety of cultural and geographical features, Sydney is a beautiful location to come together to discuss mediation.

WHO WILL ATTEND NMC2025

NMC last convened in Aotearoa New Zealand, where just under 300 delegates made the overseas trip to attend the conference. Over the previous years, NMCs have attained delegate numbers ranging between 400 and over 500, and we anticipate that NMC2025 will be at the upper end of that range. A conservative estimate is that more than 400 delegates will attend from across Australia, including leaders from the field of dispute resolution, and:

- Mediators, conciliators, DR practitioners, conflict managers, and conflict coaches
- Ombudsmen, and government officers
- Judicial officers, and legal practitioners
- Academics, researchers, and educators
- Behavioural scientists, psychologists, and counsellors
- Managers, supervisors, and union officials
- Professionals and representatives of a range of private sector service providers
- Construction and business representatives
- Human resource professionals

NMC enjoys consistently high credibility and is accepted as a landmark event in the mediation and ADR fields.
