11-13 JUNE 2025, BRISBANE

WELCOME FROM THE CEO

Welcome message from Dianne Dayhew

It is my great pleasure to introduce the Partnership and Exhibition Prospectus for NAEN2025.

This special event is a celebration of the incredible work being done across the Vocational Education and Training (VET) sector to support Australia's apprentices and trainees. Together, we'll explore ways to shape the future of skills and training in a world that's changing faster than ever.

The National Apprentice Employment Network (NAEN) proudly represents the largest employer network of apprentices and trainees in Australia. Through the group training model, our Group Training Organisations (GTOs) have opened doors for over one million apprentices since the 1970s, creating opportunities that transform lives and strengthen communities. This work wouldn't be possible without

the collaboration of dedicated industry stakeholders, businesses, trainers, government representatives, and supporters like you.

This year's theme, 'Future Skills, Changing World', reflects the shared journey we're on to ensure apprentices and trainees are equipped for tomorrow's challenges. We're thrilled to host this year's conference in Brisbane, where we'll gather for inspiring conversations, meaningful connections, and a chance to celebrate the achievements of our sector.

We'd love you to be part of this exciting event. By partnering with us at NAEN2025, you'll not only help champion the next generation of skilled leaders but also gain unique opportunities to connect with key stakeholders and showcase your role in this vital sector. Together, we can build a brighter future, and we can't wait to welcome you to Brisbane.

About NAEN

The National Apprentice Employment Network (NAEN) is the peak industry body representing Australia's largest employer network of apprentices and trainees. The employer network is unique, as it represents the practice of group training under which Group Training Organisations (GTOs) directly employ apprentices and trainees and place them with host businesses.

Across metropolitan, rural, regional and remote Australia, the network employs some 22,000 apprentices and trainees in a diverse range of industries. GTOs have employed approximately one million apprentices since their inception in the 1970s

and are at the forefront of apprentice engagement in Australia, largely with small and medium sized businesses.

While some GTOs specialise in particular industries, such as the traditional trades or hospitality, others cater to entire regions and cover a range of industries.

GTOs have come to occupy a pivotal role in many communities through their links with enterprises, training providers and schools, as well as in First Nations and remote communities where they play a critical part in local training and job creation.

THE CONFERENCE

The National Apprentice Employment Network Conference is a key event in the VET sector, and the major national gathering for the group training network.

It brings together the many government agencies, public and private training providers, employment providers and industry professionals that lead the way in apprentice and trainee employment across the country. Our previous national conference was held in Adelaide, South Australia.

For 2025 we are very excited to bring delegates to Brisbane, Queensland.

Strong attendance is expected from:

- CEOs, Managers and field officers of GTOs
- Chairs and Directors of the Boards of GTOs
- State, Territory and Commonwealth government representatives
- Registered Training Organisations, including TAFEs and private providers
- Employer and industry organisations
- Apprentice Connect Australia Providers

NAEN2025 is being held to coincide with the WorldSkills Australia 2025 National Championships

& Skills Show, with a number of collaborative events, making it a huge week for the skills and training sector in Brisbane.

NAEN2025 offers an opportunity to build relationships with the apprentice employment network and key stakeholders across the VET sector. The marketing potential starts from the time you sign up and continues well beyond the event itself.

The Theme

With the theme, 'Future Skills, Changing World', the conference will be informative and engaging – delivering a diverse range of speakers and presenters across vitally important topics for the vocational education and training (VET) sector.

Delegates will hear from experts from industry, government, academia and the training sector, as well as some of the country's top thinkers and commentators.

This will be a significant event for all those that engage and employ apprentices and trainees, as well as for the many organisations and individuals that support them.
