Consec – Conference and Event Management Data Processing Consent Policy

Why do we ask for your consent?

We are committed to protecting the privacy of all personal data you provide us for the 2nd Australian Digital Engineering Summit.

The following statements describe what we are doing with your data and how long we store it, so you are fully informed prior to you submitting your personal information this event.

Data Controller Contact

Consec – Conference and Event Management

PO Box 3127 BDC ACT 2617

Ph: 02 6252 1200

Email: gdpr@consec.com.au

Point of contact: Barry Neame

Why are we processing your personal data?

We ask for your personal data to facilitate your involvement in events run by Consec – Conference and Event Management.

Other third parties that will have access to your personal data

Your data will be shared with other organisations and third parties in order to process your registration/sponsorship/ presentation. These may include but are not limited to Centium Software, Secure Pay, App provider, Accommodation providers, Ecommerce, and Printing provider.

How long will we store your personal data?

Your personal data will be retained by us after the conclusion of this event and for promotion of any future Australian Digital Engineering Summits.

The right to inquire about your personal data

You retain the right to ask us about your personal data at any time. Please contact us at gdpr@consec.com.au with any inquiries you may have.

The right to withdraw your consent

You retain the right to withdraw consent use of your personal data at any time.

Please be aware that a withdrawal of consent before the start of the Summit will incur full event cancellation and cancellation fees as noted in the terms and conditions.

Please contact us at gdpr@consec.com.au with any inquiries you may have.

The right to forget or anonymize your personal details

You retain the right to request that we forget or anonymize your personal data. If you have attended any event with us, we will retain any financial, tax or event attendance records for reporting reasons, but will remove all personal data from our database, leaving an “anonymized” record for reporting reasons.
