

Consec – Conference and Event Management Data Processing Consent Policy

Why we ask for your consent

We are committed to protecting the privacy of all personal data you provide us for the AIPM Conference 2024.

The following statements describe what we are doing with your data and how long we store it so you are fully informed prior to you submitting your personal information this event.

Data Controller Contact

Consec – Conference and Event Management
PO Box 3127 BDC ACT 2617
Ph: 02 6252 1200
Email: gdpr@consec.com.au
Point of contact: Barry Neame

Why are we processing your personal data?

We ask for your personal data to facilitate your involvement in events run by Consec – Conference and Event Management.

Other third parties that will have access to your personal data

Your data will be shared with other organisations and third parties in order to process your registration. This may include but is not limited to Consec – Conference and Event Management and the AIPM Organising Committee.

How long will we store your personal data?

Your personal AIPM data will be retained by us after the conclusion of this event and for promotion of any future AIPM events and further correspondence with the AIPM Organising Committee.

The right to enquire about your personal data

You retain the right to ask us about your personal data at any time. Please contact us at gdpr@consec.com.au with any enquiries you may have.

The right to withdraw your consent

You retain the right to withdraw consent use your personal data at any time. Please be aware that a withdrawal of consent before the start of the conference will incur full registration cancellation and cancellation fees. Please contact us at gdpr@consec.com.au with any enquiries you may have.

The right to forget or anonymise your personal details

You retain the right to request that we forget or anonymise your personal data. If you have attended any event with us, we will retain any financial, tax or event attendance records for reporting reasons, but will remove all personal data from our database, leaving an “anonymised” record for reporting reasons.
