

TIM ROSS

Projects / Operations Manager | Grain Trade Australia

Grain Trade Australia (GTA) is a member organisation that has a mission to facilitate trade by creating an operating environment for Australia's commercial grain industry that is efficient, effective and transparent. Tim is GTA's Operations and Projects Manager with experience in Business Development, Logistics and Supply Chain management in the bulk and container commodity supply chains.

His experience has been gained through several roles within the Australian grain industry across all states and regional areas.
