

Civil Contractors Federation

2026 Australian Infrastructure Summit & National Earth Awards Gala

Sponsorship Opportunities

The Civil Contractors Federation (CCF) National invites your organisation to become a sponsor of the 2026 Australian Infrastructure Summit & National Earth Awards, Australia's premier national event for the civil construction industry.

This high-profile sponsorship opportunity provides direct access to leading civil contractors, industry suppliers, government representatives, infrastructure decision-makers and key stakeholders from across the country. It offers a powerful platform to showcase your organisation, strengthen industry relationships and demonstrate your commitment to the future of Australia's civil infrastructure sector.

The Australian Infrastructure Summit brings together industry leaders to share insights, explore emerging trends, discuss infrastructure priorities and highlight innovation shaping the future of civil construction in Australia.

The National Earth Awards celebrate excellence in civil construction, recognising the nation's most outstanding projects and contractors from across Australia. Alongside the Summit, delegates will connect through a series of premium networking events, including the Welcome Reception and the prestigious National Earth Awards Gala Dinner.

Partner with CCF National and position your organisation at the centre of Australia's civil infrastructure industry.

Join us in Canberra for this flagship national event.
