2024 CCF Australian Infrastructure Summit

21 - 22 NOVEMBER - CANBERRA
 Connecting, Collaborating and Constructing
 Civil foundations for Australian Communities

Registration and Program

On behalf of Civil Contractors Federation nationally we extend a warm welcome and invite our members to attend and play a supporting role in the CCF Australian Infrastructure Summit. Our theme for 2024 is “**CCF Members Connecting, Collaborating and Constructing Great Australia Communities**” As per the program overleaf [or online](#) come together with international and local experts, government and our industry at large to inform and share best practice on civil infrastructure.

The National Earth Awards and Civil industry dinner, which is part of the Summit, will be held also at QT and our Welcome Cocktail Reception at National Museum of Australia. The CCF Australian Infrastructure Summit provides an excellent opportunity for Contractors, Associates, thought leaders and decision makers from our sector, industry, and government to exchange international, national and local best practice in delivering and maintaining civil infrastructure.
