SPONSORSHIP & EXHIBITION PROSPECTUS

INVITATION

In 2023 the College will reflect on how we have adapted to the global pandemic in providing care to the children and families that we work with, as well as ourselves. We will focus on what worked, what did not, how our services have changed and how we can look at shaping the future of health care for children and young people. We will also address how we looked after ourselves during this time and what have we learnt about self-care and adapting to a fast-moving situation and information overload.

Our Conference theme is “*The New Age of Children and Young People’s Healthcare*”.

On behalf of the Conference Committee and the ACCYPN Board of Directors, I extend our warmest invitation to you to sponsor or exhibit at our Conference. We are planning a Conference that reflects the impact and the diversity that nursing and midwifery brings and look forward to welcoming you to Darwin in September 2023.

Warm Regards

ABOUT ACCYPN

The Australian College of Children & Young People's Nurses (ACCYPN) is the only national nursing professional organisation that has children and young people as its core focus. Through direct membership, ACCYPN forms an influential professional body acting on behalf of children, young people, families and the nurse who cares for them.

ACCYPN recognises children and young people's nursing as specialty nursing practice and advocates for the specialty, irrespective of the setting in which children and young people are cared for.

Vision

The Australian College of Children & Young Peoples' Nurses will promote excellence in health care for children and young people in the context of their family and the community.

Mission

The Australian College of Children & Young Peoples' Nurses will advocate for and facilitate the continuing development of specialty nursing practices to meet the unique needs of children and young people.

For more information, visit ACCYPN's website www.accypn.org.au.
