

Graduate Certificate in Children & Young People's Nursing

Course Overview

Duration: 1 year part-time

Campus: Online

Nurses wishing to specialise in the care of children and young people can study this course to enable them to meet the educational needs required by a range of professional bodies.

The course builds on the skills and knowledge a comprehensive nurse has attained at an undergraduate level.

Admission Requirements

All applicants are required to provide proof of current registration with the Nursing and Midwifery Board of Australia, and must be working with children and young people in order to complete the practice based assessments.
