B. Braun is one of the world's leading providers and manufacturers of healthcare solutions today. Every service that B. Braun provides incorporates the entirety of our knowledge and skills, the company's deep understanding of users' needs, and extensive expertise since 1839. With its constantly growing portfolio of effective medical care solutions, B. Braun makes a substantial contribution towards protecting and improving people's health. In total, the B. Braun product range comprises 5,000 different products, 95 percent of which are manufactured by the company. By offering supplementary services and consulting, B. Braun is a system supplier that develops the best solution for patients in close partnership with our customers, making a significant contribution to medical advancements.
