

## EDUCATOR & CLINICAL FACILITATOR WORKSHOPS

To acknowledge and support the tireless work of our nurse educators, we have included a special program of workshops at this year's AEM. Critical Care Educators and Clinical Facilitators are invited to register and opt in for the 'Triple Bill' of workshops on Friday 20 October which include:

- ▶ W4: Creating Psychologically Safe Learning Cultures, facilitated by **Prof Brendan McCormack**
- ▶ W6: Clinical Coaching in Critical Care facilitated by **Amy Johansen** and
- ▶ W9: Simulation facilitated by **Rand Butcher**

Alternative program options exist for those wanting to select only one or two workshops to attend on a day pitched towards more advanced practice.

## TRIPLE BILL SPEAKERS

**Prof Brendan McCormack** – Head of the Susan Wakil School of Nursing and Midwifery at University of Sydney

**Amy Johansen** – Clinical Nurse Consultant, Royal Children's Hospital, Melbourne

**Rand Butcher** – Chief Executive Officer, Australian College of Critical Care Nurses
