# INVITATION TO PARTNER WITH US

We are delighted to invite you to join us in Perth Boorloo, Western Australia, for the Global Mental Health Summit 2026 (GMHS 2026), taking place 14–16 October 2026 at Optus Stadium.

Hosted by the Multicultural Services Centre of WA (MSC) in partnership with the WA Mental Health Commission and in association with the World Federation for Mental Health (WFMH), this three-day international summit will be held in person with virtual access available.

The event will open with a Smoking Ceremony and Welcome to Country by Noongar Elder Robyn Collard and will be guided by the theme:

## **Building Resilience, Equity, and Culturally Responsive Integrated Support Systems.**

This theme addresses urgent global mental health challenges driven by escalating pressures such as war, displacement, and rapid technological change—including the impact of social media. The summit will spotlight the need for resilient, integrated, and culturally sensitive mental health care worldwide, particularly for vulnerable populations.

### **Key sub-themes include:**

- Media and Mental Health (cyberbullying, racial harassment, positive media impacts)
- Homelessness
- Torture and Trauma
- Mental Health and Justice Systems
- Mental Health as a Human Right: Advocacy and Justice Mechanisms
- Alcohol and Other Drugs
- Mental Health in the Workplace
- Integrated Care and Collaborative Approaches
- Loneliness as a Mental Health Condition

With globally recognised keynote speakers, plenary sessions, workshops, symposia, poster presentations, and networking opportunities, 400 in-person delegates from Australia and around the world will share insights and foster meaningful connections.

### **Acknowledgement of Country**

In the spirit of reconciliation the MSC acknowledges the Traditional Custodians of country throughout Australia and their connections to land, sea and community. We pay our respect to their Elders past and present and extend that respect to all Aboriginal and Torres Strait Islander peoples.
