Abstracts Guidelines & Terms and Conditions

Abstract Guidelines:

- Abstracts must be written in English (UK).
- The title must be a maximum of 15 words in BLOCK CAPITALS.
- The abstract must not exceed 500 words including headings.
- A maximum of 10 co-authors is allowed. If more contributors were involved, list them as a study group in the last co-author slot and acknowledge them on the poster or during the presentation.
- You must provide the first name, last name, organisation, and country for the presenter and all co-authors. Incomplete co-author details will be removed.
- References, graphical files, tables, figures, keywords, and subheadings (e.g., background, methods) are not allowed and will be removed by the Programme Committee.
- You will need to provide a short presenter biography and photograph. This should be a brief paragraph outlining your work, professional background, and any other relevant details for readers.

Terms and Conditions:

- Accepted authors will pay and register for the event by the given deadline. Failure to register will result in the abstract being withdrawn.
- The acceptance of an abstract does not imply provision of travel, accommodation or registration for the event, nor any other costs associated with preparation or presentation of the abstract, and any costs associated with attendance at the ASM.
- You give us permission to publish your abstract, PowerPoint presentation and/or Poster on the event website, App and in the handbook if it is accepted for presentation.
- You give us permission to record or photograph your presentation at the event and to be broadcast live and recorded to be made available to delegates and members of the event host organisations for educational purposes.
- You confirm that the submission has been approved by all authors.
