

Dear ASCEPT member,

Research Study Title: ASCEPT EDI membership survey

Researchers at UNSW are conducting a project that aims to describe the diversity of the membership of the Australasian Society of Clinical and Experimental Pharmacologists and Toxicologists (ASCEPT). Diversity includes career level, age, gender, Indigeneity, nationality, culture, faith, carer status, ability, and LGBTQIA+ identity. Data obtained in this research will be used to inform future initiatives of ASCEPT to foster and support an inclusive and culturally competent community of members, and equity across all society activities and interactions.

The research study is looking to recruit people who meet the following criteria:

- Current financial ASCEPT member

Participants meeting the following criteria will be excluded from the study:

- Those that do not meet the inclusion criteria above

Participants will be asked to complete the following research activities if they agree to participate:

- Online survey that will take approximately 10-20 minutes to complete.

A full description of all research activities, including any risks, harms or discomforts that you may experience while participating in this research is included in the attached Participant Information Statement and Consent Form.

Please follow the link in the Participant Information Statement and Consent Form if you would like to participate in this survey.
