

# ARPS 2026

FROM RUTHERFORD TO TOMORROW:  
KAITIAKITANGA IN RADIATION PROTECTION

20-24 SEPTEMBER 2026  
TE PAE CHRISTCHURCH CONVENTION CENTRE

[www.arpconference.com.au](http://www.arpconference.com.au)

## SPONSORSHIP & EXHIBITION OPPORTUNITIES

# INVITATION TO PARTNER

The ARPS Organising Committee is pleased to present the 2026 Annual Conference of the Australasian Radiation Protection Society (ARPS), to be held from Sunday 20 to Thursday 24 September 2026 at Ta Pae Christchurch Convention Centre, Christchurch, New Zealand. For the third time, this premier event will be hosted in Aotearoa New Zealand, providing a distinctive and high-profile setting for engagement with the radiation protection community.

ARPS 2026 will bring together professionals working across medicine, research, industry, mining, and regulatory environments, creating a unique platform for knowledge exchange, collaboration, and industry visibility. The conference attracts decision-makers, technical experts, emerging leaders, and key influencers from across Australasia and beyond.

Under the theme **“From Rutherford to Tomorrow: Kaitiakitanga in Radiation Protection”**, ARPS 2026 will explore the evolution of radiation protection while highlighting the role of stewardship, innovation, and responsibility in shaping its future. The program is designed to reflect both technical excellence and practical application, positioning the conference as a leading forum for advancing the profession.

Key program pillars include:

- Developing the next generation of radiation protection professionals
- Showcasing innovative technologies, services, and solutions
- Strengthening partnerships between industry, regulators, researchers, and practitioners

ARPS 2026 offers sponsors a powerful opportunity to connect directly with a highly targeted audience, enhance brand visibility, and demonstrate leadership within the radiation protection sector. Through a dynamic program, exhibition opportunities, and dedicated networking events, sponsors will be well positioned to build relationships, generate leads, and align with the future direction of the profession.

We invite you to partner with ARPS 2026 and be part of a landmark conference that will shape conversations, influence practice, and support the continued growth of radiation protection across the region.

**Brent Le Vert**  
President ARPS

# WHY SPONSOR ARPS 2026?

ARPS 2026 offers sponsors and exhibitors direct access to a highly specialised and influential audience within the radiation protection sector. Sponsorship provides a strategic platform to:

**Showcase your brand and expertise** to decision-makers, technical specialists, and emerging leaders

**Strengthen industry presence** within healthcare, research, mining, industry, and regulatory sectors

**Build meaningful relationships** through targeted networking and face-to-face engagement

**Align with innovation and stewardship**, supporting the future of radiation protection

**Enhance visibility** through tailored sponsorship and exhibition opportunities

**Partnering with ARPS 2026 positions your organisation at the forefront of professional practice, innovation, and collaboration in radiation protection.**

# ABSTRACT THEMES

We encourage sponsors and exhibitors to submit an abstract for consideration. Please click [here](#) for more information.

---

- 1 Radiation protection in healthcare:** This theme focuses on enhancing radiation safety in healthcare settings by integrating radiation protection into medical practice and healthcare service quality. It aims to reduce unnecessary radiation exposure through justification and optimisation of radiological procedures and preventing accidental or unintended exposure.
- 2 Developments in radiation protection:** This theme covers the evolution of radiation protection measures driven by new technologies, realisation of previously unidentified effects, and the development of recommendations and regulations. It highlights the continuous improvement in instrumentation, modelling, assessment methods, and quality control.
- 3 Environmental:** This theme addresses the protection of human health and the environment from radioactive materials, including the disposal of radioactive waste and the management of NORM. It includes setting protective limits on radioactivity in soil, water, and air, and providing technical expertise and guidance for radiation protection.
- 4 Communication and engagement:** This theme emphasises the importance of effective communication and consultation strategies to promote openness, transparency and trust in radiation protection. It includes examples of stakeholder engagement, citizen science, education, provision of clear and accurate messages, and building public trust in regulatory bodies.
- 5 Operational radiation protection:** This theme focuses on practical control measures to restrict exposure from external radiation and minimise internal exposure in an operational setting. It includes the development of occupational radiation protection programs, the implementation of measures to reduce radiation hazards and doses, and the safe handling, processing, and disposal of radioactive waste.
- 6 Emergency management:** This theme covers the planning for, response to and recovery from radiological emergencies, including assessment, management, and protective measures. It includes planning, practising teamwork, and using protective actions such as evacuation, decontamination, and appropriate medical treatments.

ON EXHIBITION  
PRICES**

# ADVERTISING PACKAGES

Advertising space is available in the electronic Conference Handbook, offering an excellent opportunity to promote your organisation and gain valuable exposure to conference delegates.

- **FULL PAGE - \$500**
- **HALF PAGE - \$250**

## SATCHEL INSERTS

In the interest of reducing our environmental footprint, we will not be using the satchel for paper inserts.

Sponsors and exhibitors are encouraged to have marketing collateral available at their booth.

## ADDITIONAL TICKETS AND REGISTRATIONS

Extra personnel required to staff the exhibition stand must purchase additional exhibitor registrations at \$870 which includes:

- Daily catering
- Conference sessions
- A ticket to the Conference Welcome Reception

This registration type does NOT INCLUDE THE CONFERENCE DINNER (tickets may be purchased separately for \$155 each).

This Exhibitor/ Sponsor Pass is significantly reduced from the standard delegate fee as recognition of your company's support of the event. Please note, there is a maximum of two additional exhibitor registrations per sponsor or exhibitor.

## APPLIANCE TESTING

All electrical appliances and leads used on site must comply with the Australian Standard AS/NZ 3760:2010, which requires the appliance to be inspected, tested and tagged. Items that do not comply will not be permitted to be used onsite. Electrical items such as switchboards, cables and outlet fittings must comply with the Australian electrical wiring standard AS/NZS 3000:2007 and be installed by a qualified A-grade electrician. Note: Double adaptors will not be permitted on site, instead power boards with overload cut off are permitted.

## EVENT SPONSORSHIP & EXHIBITION APPLICATION TERMS & CONDITIONS

A full set of terms and conditions for conference sponsorship and exhibition packages are available on the conference website. When you complete the online acceptance form, you will be required to acknowledge your agreement to these terms and conditions to complete the submission process.
