SPONSORSHIP PROSPECTUS

YOUR OPPORTUNITY TO CONNECT DIRECTLY WITH THE WATER AND TAILINGS DAMS INDUSTRIES

On behalf of the Australian National Committee on Large Dams (ANCOLD) Executive and Local Organising Committee, I cordially invite you to the 2024 ANCOLD Conference due to be held in November in Adelaide, South Australia.

The conference will be held at the world class Adelaide Convention Centre, located in the centre of Adelaide overlooking the Torrens River Lake and opposite the Adelaide Oval.

The conference theme is “Never the same dam twice”. This draws our attention to dams being dynamic. They are constantly changing through loads, aging processes and environmental factors. Every time we step onto a dam something is different. The dams industry through all aspects of regulation, surveillance, dam safety management, design, risk and construction also needs to continuously adapt and improve to keep up with demands for more minerals, materials,

water, energy and the impacts of climate change and at the same time ensuring people and society are protected from dam failure. The dams industry can't rest - it has to continue to evolve, embrace the lessons from the past and be innovative, developing new technology, improving procurement, contracting, regulation and construction. Similar to 2023, there will be a full day workshop followed by three days of technical sessions providing opportunities to share your experiences and to learn from each other and industry specialists.

The conference will be supported by a fantastic social program and conference tours, ensuring it is the dam industries event of 2024.

We gratefully acknowledge and value the ongoing contribution of existing sponsors of ANCOLD, and we encourage new sponsors to take up the opportunities and brand exposure that this conference can offer your business.

Angus Paton
2024 ANCOLD Conference Convenor

KEY OPPORTUNITIES WHY PARTNER WITH US:

Engage with key decision-makers from the water and tailings dams industry over three days.

ANCOLD gathers professionals and industry leaders in the dam industry, providing an excellent platform to showcase your company's expertise, products and services to a targeted audience.

Demonstrate your commitment to the industry by supporting initiatives that contribute to dam safety, sustainability and technological advancements.

Gain insights into the latest trends, technological advancements and challenges within the dam industry, helping your organisation to stay ahead in a rapidly evolving field.

Over 100 organisations are represented from Australia and overseas, from both the private and public sectors.

AUDIENCE

About ANCOLD

The Australian National Committee on Large Dams Inc (ANCOLD) is an Australian-based non-government, non-profit and voluntary association of organisations and individual professionals with a common technical interest in dams.

ANCOLD is not an advocate for dams but an apolitical industry body that focuses on disseminating knowledge, developing capability and providing guidance in achieving excellence for all aspects of dam engineering, management and associated issues.

www.ancold.org.au

ANCOLD Members

Over fifty percent of delegates are ANCOLD Associate Members or Employees of Member Organisations. ANCOLD currently has 88 member organisations covering all aspects of the dams industry, and over 300 individual Associate Members. Corporate Members comprise a range of public and private sector dam owners, consultants, contractors, government agencies and other organisations with a professional interest in dams. Associate Members are typically specialist professional civil, mechanical, electrical and environmental engineers or allied practitioners working in the dams industry.

WHO WILL YOU MEET?

- Managers
- Team Leaders/Coordinators/Officers
- Analysts/Planners/Research/Advisors/Consultants
- Principals/Chairmen/Directors/Associates
- Engineers
- Unknown/Didn't State

PREVIOUS SPONSORS & EXHIBITORS

We had a wonderful experience as the ANCOLD 2023 Cairns conference dinner sponsor. In front of a national audience of more than 400 guests, the dinner was an amazing platform to spotlight Sunwater as a leader in Australian water infrastructure. The event also allowed us to showcase our local customer produce and provided an enjoyable opportunity for conference delegates to connect. Our collaboration with the ANCOLD team was key to our success - they were receptive to our every request regarding the theme and dedicated to producing the best quality event. Thank you, Helene, Kim and Lucy, for a memorable evening.” -

Rachael Thompson, Sunwater Senior Corporate Engagement Advisor

Bluemont has found the ANCOLD conference to be a worthwhile event to exhibit at as the attendees are the right ones for our industry. The event is well organised and easy to exhibit at.

Justin Bear, Project Manager, Bluemont

ANCOLD is the peer association of dam owners, regulators, consultants, suppliers and contractors involved in the dams industry. As an associate member of ANCOLD and a regular attendee at the annual conferences, I can attest to the value of contributions made by sponsors to the success of each conference.

The sponsorships are key to the affordability for conference attendees. Sponsors of the social events, technical sessions, tours, lunches and coffee breaks are acknowledged each time and appreciated by participants. In return, a sponsor achieves awareness among senior decision makers who can call on the sponsors’ services or products. The conference environment also provides an opportunity for sponsors to occupy kiosks which attendees can visit during gaps in proceedings.

Brian Walford

Principal Civil Engineer, WSP Australia Pty Limited

AWMA has been attending ANCOLD since 2014. Moving the host city around gives the opportunity for a diversified mix of attendees, for example the Hobart conference attracted a large audience from the hydroelectric market’ which was great for us. ANCOLD provides a networking opportunity for a very specific sector of the water industry. AWMA find the transferring of experience and knowledge invaluable, especially when discussing the performance, viability and management of critical water infrastructure. AWMA looks forward to continuing to support ANCOLD and its members.

Belinda Barker

Marketing Manager, AWMA Water Control Systems

THEME: NEVER THE SAME DAM TWICE

The conference theme is “**Never the same dam twice**”. This draws our attention to dams being dynamic. They are constantly changing through loads, aging process and environmental factors. Every time we step onto a dam something is different. The dams industry through all aspects of regulation, surveillance, dam safety management, design, risk and construction also needs to continuously adapt and improve to keep up with demands for more minerals, materials, water, energy and the impacts of climate change and at the same time ensuring people and society are protected from dam failure. The dams industry can't rest! It must continue to evolve, embrace the lessons from the past and be innovative developing new technology, improving procurement, contracting, regulation and construction.

SUB-THEMES:

- Dam foundations
- Dam hydrology and hydraulics
- Dam engineering theory and practice, including risk and materials
- Tailings dams (all aspects including guidelines, technology, performance, risk, closure and rehabilitation).
- Asset lifecycle: procurement, construction, dam operations, maintenance and decommissioning
- Dam safety management guidelines, regulation, emergency management

- Sponsorship of one Barista Cart for the three full days of the technical conference
- Opportunity to brand the Barista Cart (artwork to be supplied by sponsor)
- Corporate branded aprons for the staff to wear and branded coffee cups (supplied by sponsor)
- One pull up banner for display in the barista lounge (supplied by sponsor)
- Opportunity to place literature on the barista lounge furniture (sponsor)

5. SUSTAINABILITY SPONSOR

Adelaide Convention Centre was announced as the world's first convention centre to achieve EarthCheck Gold Master certification, so we will work with the venue to achieve best practice in delivering our conference and reducing our environmental footprint.

Sponsoring sustainability initiatives demonstrates your commitment to social responsibility and environmental stewardship. Customers, investors and regulators increasingly expect businesses to operate sustainably.

Being a sustainability sponsor aligns with these expectations and demonstrates a commitment to meeting stakeholder demands.

- Exclusive sponsorship of the ANCOLD 2024 Sustainability Initiative and acknowledgement as the 2024 Sustainability Sponsor
- Digital acknowledgement throughout the conference floor of your commitment to this initiative
- We will work with you to deliver this package in a way that is tailored to your organisation

EXHIBITION PACKAGES

Taking an exhibition booth is a great way to connect with conference delegates and promote your products or services. With the exhibition area open for the duration of the conference, that's a lot of quality exposure for your organisation. All conference lunch and refreshment breaks will be held in the exhibition area to ensure a high traffic flow.

The exhibition at ANCOLD 2024 runs for three days, with all exhibitors to be set up by 0800 on Tuesday - the first day of the technical program. Please note, dates and times are a guide only and may be subject to change.

Early Bird

Valid until 31 May 2024 **\$3,800**

Standard

From 1 June 2024 **\$4,500**

Promotion

- Logo recognition in all conference promotional material, including conference program and venue signage
- Company logo and profile in the electronic conference handbook and conference website (including link)
- One electronic brochure
- Delegate list (name, position, company, state, country only)

Exhibition Booth & Registration

- One 3m x 3m (2.4m high) shell structure booth
- White melamine back and side walls
- Organisation name on fascia board
- 2 x 120w spot lights
- 1 x 4amp/100w power outlet
- One registration to attend the Technical Conference and the Welcome Reception

Please note that furniture is NOT included as part of the exhibition package

Custom Built Displays

If you'd like to stand out from the crowd and customise your booth with additional furniture and features, please contact our Exhibition Build partner, Adelaide Expo <https://aeh.com.au/>

Exhibitors please note, a custom build will need to be approved by the venue 6 weeks prior to the conference.

Additional Tickets & Registrations

All staff on site must be registered to attend either by utilising your complimentary registration(s) or by purchasing an additional exhibitor registration for \$675.

Additional Exhibitor registrations include daily catering, attendance at conference sessions and entry to the Welcome Reception. Conference Dinner tickets may be purchased separately.

This Exhibitor/ Sponsor Pass is significantly reduced from the standard delegate fee as recognition of your company's support of the event. Please note there is a maximum of two additional exhibitor registrations per sponsor or exhibitor.

Appliance Testing

All electrical appliances and leads used on site must comply with the Australian Standard AS/ NZ 3760:2010, which requires the appliance to be inspected, tested and tagged. Items that do not comply will not be permitted to be used onsite. Electrical items such as switchboards, cables and outlet fittings must comply with the Australian electrical wiring standard AS/NZS 3000:2007, and be installed by a qualified A grade electrician. Note: Double adaptors will not be permitted onsite, instead power boards with overload cut off are permitted. The venue is at liberty to check that the electrical appliances that you bring on site are appropriately tagged.
