

DUBBO, NSW
16-18 JUNE
2025

ANCOLD **DAM**
OPERATORS
FORUM 2025

**Your opportunity to
partner with ANCOLD**

INVITATION TO SPONSOR

We're excited to invite you to the 2025 ANCOLD Dam Operators Forum in Dubbo, from 16-18 June 2025, at the stunning Taronga Western Plains Zoo Functions Centre. Set amidst nature, with incredible views and the unique opportunity to be surrounded by wildlife, this venue is the perfect setting to learn, connect, and be inspired.

This forum offers a fantastic opportunity for dam operators from all backgrounds—whether public, private, small, or large—to come together in a relaxed and friendly environment. It's your chance to share your experiences, learn from others, and discover new ways to tackle the challenges we all face in maintaining and operating critical infrastructure.

One of the highlights of the forum will be a site visit to Burrendong Dam, where you'll get a close-up look at its operations and gain valuable insights into one of the country's key assets. And it's not all about the sessions and site visits—there's plenty of time to unwind, make new connections, and enjoy the beautiful surroundings of the Taronga Western Plains Zoo. This is a chance to experience the perfect balance of learning, networking, and enjoying time with the network.

If you're a potential sponsor, we'd love for you to join us and experience the exposure this wonderful event can offer your brand. We can't wait to welcome you to Dubbo for three days of engaging discussions, an exciting site visit, and plenty of opportunities to relax and connect. It's going to be an event to remember – come and be a part of it!

Looking forward to seeing you there,
Geoff Watson

ABOUT DUBBO

Dubbo, New South Wales, is a dynamic regional city in the heart of the Orana region, offering a perfect blend of rich history, natural beauty, and modern conveniences. Known for its warm hospitality and relaxed country charm, Dubbo is a thriving hub with a vibrant arts scene, fascinating heritage, and a diverse culinary offering. One of its most famous attractions is the award-winning Taronga Western Plains Zoo, where visitors can experience open-range enclosures and get up close with wildlife from around the world. The city is also home to the heritage-listed Old Dubbo Gaol, offering a glimpse into Australia's past, and is in close proximity to the iconic Burrendong Dam.

Burrendong Dam, located just an hour from Dubbo, is one of the largest inland dams in New South Wales, serving as a critical water storage and flood mitigation resource for the region. Surrounded by stunning natural landscapes, the dam not only plays a vital role in water management but is also a popular recreational destination. Burrendong Dam showcases the balance between infrastructure and environmental conservation, making it a fitting site visit for the 2025 Dam Operators Forum.

With excellent transport links and a wide range of accommodation, Dubbo is an accessible and welcoming destination for travellers. The city's modern conference facilities, combined with its array of attractions and relaxed atmosphere, make it the ideal location for our 2025 forum.

WHY SPONSOR?

- 1. Visibility and Brand Exposure:** Sponsoring the forum provides organisations with an excellent opportunity to increase their visibility and exposure within the dam operations industry.

- 2. Networking Opportunities:** The forum brings together professionals, experts, and decision-makers from the dam operations sector. Sponsoring the event allows organizations to network with industry leaders, potential clients, and partners, fostering valuable connections that can lead to future collaborations and business opportunities.

- 3. Demonstrate Industry Leadership:** Sponsoring the forum showcases an organization's commitment to the advancement of dam safety and operations. It positions them as a leader within the industry, demonstrating their expertise and dedication to best practices in dam management.

- 4. Access to Latest Industry Insights:** The forum offers a platform for knowledge sharing, discussions, and presentations on the latest trends, challenges, and innovations in dam operations. Sponsors gain access to valuable insights and information that can help them stay ahead of the curve and make informed decisions in their own operations.

- 5. Targeted Marketing Opportunities:** Sponsoring the forum provides organizations with targeted marketing opportunities to reach a specific audience of dam operators, engineers, regulators, and other industry professionals. It allows sponsors to tailor their messaging and promotions to resonate with this niche demographic.

- 6. Contribution to Industry Advancement:** By sponsoring the forum, organizations play a vital role in supporting the advancement of the dam operations industry. Their financial support helps facilitate the planning and execution of the event, ensuring that valuable knowledge-sharing and networking opportunities are accessible to all participants.

OUR COMMITMENT TO YOU

Our commitment to you begins the moment you confirm your partnership package. Our dedicated symposium team will provide you with clear and timely responses and information relating to your package. We aim to do our best to maximise the exposure of your partnership. A planned marketing strategy will ensure that you and your brand will receive widespread exposure in the lead up to, during and post forum.

APPLIANCE TESTING

All electrical appliances and leads used on site must comply with the Australian Standard AS/NZ 3760:2010, which requires the appliance to be inspected, tested and tagged. Items that do not comply will not be permitted to be used on site. Electrical items such as switchboards, cables and outlet fittings must comply with the Australian electrical wiring standard AS/NZS 3000:2007, and be installed by a qualified A grade electrician. Note: Double adaptors will not be permitted on site, instead power boards with overload cut off are permitted. The venue is at liberty to check that the electrical appliances that you bring on site are appropriately tagged.

EVENT SPONSORSHIP AND EXHIBITION APPLICATION TERMS AND CONDITIONS

A full set of terms and conditions for conference sponsorship and exhibition packages are available on the conference website. When you complete the online acceptance form, you will be required to acknowledge your agreement to these terms and conditions to complete the submission process.
