

ARPS 2024

The logo for ARPS 2024 features the text 'ARPS' in a large, bold, blue font with a striped pattern. Below it, '2024' is written in a similar style. To the right of the '2024' is a stylized sailboat with a yellow hull and a dark blue sail. In the center, there is a circular logo for the Australasian Radiation Protection Society, featuring a radiation symbol and the text 'AUSTRALASIAN RADIATION PROTECTION SOCIETY'.

RADIATION PROTECTION FROM BANANAS TO BOATS
PACIFIC BAY RESORT | COFFS HARBOUR, NSW
20-24 OCTOBER 2024 | www.arpsconference.com.au

**SPONSORSHIP & EXHIBITION
OPPORTUNITIES**

INVITATION TO SPONSOR

On behalf of the Organising Committee, I have the pleasure of inviting you to partner with the Annual Conference of the Australasian Radiation Protection Society (ARPS). This year's conference will be held at Pacific Bay Resorts from 20-24 October 2024.

The Australasian Radiation Protection Society (ARPS) was founded in 1975 and has more than 250 members engaged in radiation protection activities. Members are engaged in a variety of activities designed to ensure the safe use of ionising and non-ionising radiation across the incredibly diverse field of radiation protection, which includes medicine, pure and applied science, industry, and mining.

The theme of the 2024 conference is “**Radiation Protection from Bananas to Boats**”. The aim of the conference is to foster discussions across a broad range of radiation protection aspects and emerging fields, including training the next generation of radiation professionals, showcasing new technologies and applications, and sharing the importance of effective communication and stakeholder involvement. The Organising Committee is finalising a full and extensive program that includes three days of scientific sessions infused with intensive exhibitor and sponsor engagement.

It has been enormously rewarding to see a significant increase in delegate and exhibitor numbers and engagement over the years. Once again, the aim of the conference is to foster discussions across a broad range of topics on radiation protection, to promote some healthy competition and to engage in thought-provoking discussions. We have outlined a variety of sponsorship packages that have been fine-tuned to ensure that you get the best value for your investment. Our sponsorship team is more than happy to discuss how to best tailor a package to suit your objectives.

This is a wonderful opportunity to be involved in this conference, and I hope you will join us at Coffs Harbour and support ARPS as it delivers the best and most recent information to delegates. We look forward to welcoming you!

Brent Rogers
ARPS 2024 Convenor

We acknowledge the Traditional Owners of this land, the Gumbaynggirr Nation, and recognise their continuing connection to land, waters and culture.

We pay our respects to the Gumbaynggirr Elders past, present and emerging.

REASONS TO PARTNER WITH ARPS IN 2024

Brand Visibility

By associating your brand with ARPS, you enhance your visibility and credibility within the radiation protection industry. Your logo will be prominently displayed in conference materials, on the event website and throughout the venue, increasing brand recognition among attendees and reinforcing your position as a leader in the field.

Targeted Audience

ARPS attracts professionals, researchers, policymakers and industry leaders in the field of radiation protection from across Australasia. By sponsoring or exhibiting at this conference, you gain direct access to your target audience, allowing you to showcase your products, services, and expertise to those who are most likely to be interested.

Networking Opportunities

ARPS provides an ideal platform for networking with key decision-makers, experts, and potential collaborators in the radiation protection community. As a sponsor or exhibitor, you'll have the opportunity to engage in meaningful conversations, build relationships and explore potential partnerships that can benefit your organisation in the long term.

Business Development

ARPS offers a platform for exploring new business opportunities, expanding your market reach, and generating leads. Whether you're looking to forge partnerships, secure contracts, or attract new customers, participating as a sponsor or exhibitor can help you achieve your business development goals in a cost-effective manner.

Thought Leadership

Sponsoring or exhibiting at ARPS allows you to position your organisation as a thought leader and innovator in radiation protection. You can showcase your latest research, technologies and solutions through presentations, demonstrations and interactive exhibits, demonstrating your commitment to advancing the field and addressing current challenges.

- Engage and connect with scientific and technical professionals with a strong connection to Australia's radiation protection industry
- Leading the agenda on key industry issues by submitting an abstract for presentation – more details [HERE](#).
- Exclusive branding opportunities including the conference dinner, welcome reception, Wi-Fi, conference app, name badge, keynote speaker, concurrent sessions, program and electronic handbook, refreshment breaks and registration desk
- Engaging and connecting with professionals including Directors, policy makers and administrators; as well as radiation practitioners at the coal face that are neck deep in real world applications of radiation.
- Networking with delegates at social functions
- Generating extensive new leads and building on your relationships with potential and existing customers
- Accessing the key decision-makers for services, facilities, technology and equipment

CONFERENCE DINNER \$10,850

ONE OPPORTUNITY

PROMOTION

Located at a beachside venue and overlooking the lagoon, the conference dinner will once again be held in a less formal and relaxed venue, creating opportunities to engage with your colleagues in more natural conversations. As the sponsor of the 2024 conference dinner, you will be able to greet your fellow delegates and dinner guests in a friendly convivial setting. Without the formalities of white cloths and reserved tables, the atmosphere will be conducive to mingling and moving from table to table.

- Exclusive sponsorship of the ARPS 2024 Conference Dinner
- Logo recognition as the Conference Dinner Sponsor in all conference promotional material, including conference program and venue signage
- Company logo and profile in the electronic Conference Handbook, and website
- An opportunity to welcome guests to the Conference Dinner (5 minutes maximum)
- Opportunity to provide a gift for each dinner guest (sponsor to provide)
- Sponsor's own signage prominently displayed at the dinner venue (maximum two pull up banners)
- Full page advertisement with premium placement in the electronic Conference Handbook (finished art supplied by Sponsor)
- Opted-in delegate list (name, position, organisation, state/country only)

REGISTRATION AND EXHIBITION

- Three full conference registrations including daily catering, sessions, Welcome Reception and Conference Dinner
- Two additional tickets to the Conference Dinner (five in total)
- One 2.5 metre x 2 metre trade exhibition booth

WELCOME RECEPTION \$7,750

ONE OPPORTUNITY

The 2024 Welcome Reception will be held amongst the trade. Your company will receive prominent exposure and recognition at the beginning of the conference, setting the stage for positive engagement with attendees throughout the conference.

TRADE EXHIBITION STAND

As an exhibitor, you'll have direct access to a highly targeted audience of professionals, researchers, policymakers, and industry leaders in the field of radiation protection. This presents a valuable opportunity to showcase your products, services, and solutions to individuals who are actively seeking innovative solutions and advancements in the industry. Participating as an exhibitor, offers excellent visibility and brand exposure. Your booth will be prominently located within the exhibition hall, allowing you to attract the attention of attendees and increase awareness of your brand among key decision-makers and influencers in the radiation protection community.

EARLY BIRD	VALID UNTIL 17 MAY 2024	\$3,500
STANDARD	FROM 18 MAY 2024	\$3,800

PROMOTION

- Logo recognition in all conference promotional material, including conference program and venue signage
- Company logo and profile in the electronic Conference Handbook, and website
- Opted-in delegate list (name, position, organisation, state/country only)

BOOTH AND REGISTRATION

- One 2.5 metre x 2 metre (2.5m high) shell structure booth
- White melamine back and side walls
- Organisation name on fascia board
- 2 x 120w spotlights
- 1 x 4amp/100w power outlet
- Two exhibitor registrations including daily catering, sessions, and Welcome Reception (excludes Conference Dinner)

Please note, furniture is not included in the booth package.

ADVERTISING PACKAGES

ELECTRONIC ONLY

Advertising space will be available in the electronic Conference Handbook which will be distributed electronically.

Advertising in the electronic Conference Handbook will provide excellent exposure for your organisation.

- **FULL PAGE – \$500**
- **HALF PAGE – \$250**

SATCHEL INSERTS

In the interest of reducing our environmental footprint, we will not be using the satchel for paper inserts.

Sponsors and exhibitors are encouraged to have marketing collateral available at their booth.

ADDITIONAL TICKETS AND REGISTRATIONS

Extra personnel required to staff the exhibition stand must purchase additional exhibitor registrations at \$750 which includes:

- Daily catering
- Conference sessions
- A ticket to the Conference Welcome Reception

This registration type does NOT INCLUDE THE CONFERENCE DINNER (tickets may be purchased separately for \$150 each).

This Exhibitor/ Sponsor Pass is significantly reduced from the standard delegate fee as recognition of your company's support of the event. Please note, there is a maximum of two additional exhibitor registrations per sponsor or exhibitor.

APPLIANCE TESTING

All electrical appliances and leads used on site must comply with the Australian Standard AS/NZ 3760:2010, which requires the appliance to be inspected, tested and tagged. Items that do not comply will not be permitted to be used onsite. Electrical items such as switchboards, cables and outlet fittings must comply with the Australian electrical wiring standard AS/NZS 3000:2007 and be installed by a qualified A grade electrician. Note: Double adaptors will not be permitted onsite, instead power boards with overload cut off are permitted.
