

2026 DAM OPERATORS FORUM

ANCOLD

4-6 AUGUST 2026 • PERTH WA

YOUR OPPORTUNITY TO PARTNER WITH ANCOLD

INVITATION TO SPONSOR

We're excited to invite you to the 2026 ANCOLD Dam Operators Forum in Perth, from 4-6 August 2026, to be held at the DoubleTree by Hilton Perth Waterfront. Set against the vibrant backdrop of Western Australia's capital and overlooking the Swan River, this year's Forum promises an engaging and welcoming environment to learn, connect, and be inspired.

The Forum provides a valuable opportunity for dam operators from all sectors, whether public or private, small or large, to come together in a relaxed and friendly setting. It's your chance to share experiences, learn from peers, and explore practical approaches to the challenges we all face in maintaining and operating critical infrastructure.

A key highlight of the program will be the technical site visits at Mundaring, Canning and Wungong Dams offering valuable, real-world insights into local operations and assets. Further details will be shared as the program develops.

Beyond the formal sessions, the Forum offers plenty of opportunities to unwind, strengthen existing relationships, and build new connections with colleagues from across the industry. Delegates will come together for the Welcome Reception at Lucky Shag and the Conference Dinner at Meat & Wine Co Perth CBD, providing the perfect setting to continue conversations and enjoy Perth's vibrant hospitality scene.

We extend our sincere thanks to the ANCOLD Executive, our sponsors, and exhibitors for their continued support in bringing this important event to life. If your organisation is considering involvement, we warmly welcome your participation and the opportunity to showcase your brand.

We look forward to welcoming you to Perth for three days of insightful discussions, valuable site experiences, and meaningful connections. It promises to be a memorable Forum and we hope you will join us.

Michael Wiltshire
Convenor

Set on the banks of the Swan River and bordered by the sparkling waters of the Indian Ocean, Perth is a city that effortlessly blends natural beauty with modern sophistication. Known for its relaxed lifestyle, abundant sunshine, and expansive open spaces, Perth offers visitors a refreshing sense of space and calm, balanced with a vibrant dining scene, cultural attractions, and a welcoming atmosphere.

Beyond its lifestyle appeal, Perth is uniquely positioned as a hub of engineering excellence and resource innovation. As the gateway to Western Australia's mining and infrastructure sectors, the city has deep connections to the industries that underpin dam engineering, water management, and large-scale project delivery. This makes Perth not only an attractive destination, but also a highly relevant setting for professional exchange and industry advancement.

As host city for the 2026 ANCOLD Dams Forum, Perth provides an inspiring backdrop for collaboration, learning and connection. Delegates can look forward to world-class conference facilities, seamless accessibility, and the opportunity to engage with leading experts in a region renowned for its technical expertise. Combined with its natural beauty and relaxed charm, Perth offers the ideal environment to connect with peers, share knowledge, and experience one of Australia's most distinctive and dynamic cities.

ABOUT THE VENUE

Located in the heart of Perth, the DoubleTree by Hilton Perth Waterfront enjoys a prime position on the edge of the Swan River at vibrant Elizabeth Quay. Just a short walk from the CBD, the hotel places delegates within easy reach of key attractions, dining precincts, and transport links, while also offering immediate access to the waterfront and iconic landmarks such as the Bell Tower. Its central location ensures convenience for both business and leisure, with Perth Airport only around 20 minutes away.

The hotel combines contemporary style with premium amenities designed for both comfort and productivity. Delegates can enjoy modern guest rooms with sweeping river or city views, on-site dining, and a rooftop pool and bar that showcase Perth's skyline. Additional facilities include meeting spaces, a fitness centre, and seamless connectivity with complimentary Wi-Fi, creating an environment that supports both formal sessions and informal networking.

As a venue aligned with the needs of the 2026 ANCOLD Dams Forum, the DoubleTree by Hilton Perth Waterfront offers an ideal balance of accessibility, quality, and experience. Its proximity to the Perth Convention and Exhibition Centre and its position within a dynamic waterfront precinct provide a compelling setting for delegates to connect, collaborate, and unwind. Combining professional facilities with a distinctive sense of place, the hotel enhances the overall delegate experience and reinforces Perth's reputation as a world-class host city for major industry events.

WHY SPONSOR?

- 1. Visibility and Brand Exposure:** Sponsoring the Forum provides organisations with an excellent opportunity to increase their visibility and exposure within the dam operations industry.

- 2. Networking Opportunities:** The Forum brings together professionals, experts, and decision-makers from the dam operations sector. Sponsoring the event allows organizations to network with industry leaders, potential clients, and partners, fostering valuable connections that can lead to future collaborations and business opportunities.

- 3. Demonstrate Industry Leadership:** Sponsoring the Forum showcases an organization's commitment to the advancement of dam safety and operations. It positions them as a leader within the industry, demonstrating their expertise and dedication to best practices in dam management.

- 4. Access to Latest Industry Insights:** The Forum offers a platform for knowledge sharing, discussions, and presentations on the latest trends, challenges, and innovations in dam operations. Sponsors gain access to valuable insights and information that can help them stay ahead of the curve and make informed decisions in their own operations.

- 5. Targeted Marketing Opportunities:** Sponsoring the Forum provides organizations with targeted marketing opportunities to reach a specific audience of dam operators, engineers, regulators, and other industry professionals. It allows sponsors to tailor their messaging and promotions to resonate with this niche demographic.

- 6. Contribution to Industry Advancement:** By sponsoring the Forum, organizations play a vital role in supporting the advancement of the dam operations industry. Their financial support helps facilitate the planning and execution of the event, ensuring that valuable knowledge-sharing and networking opportunities are accessible to all participants.

OUR COMMITMENT TO YOU

Our commitment to you begins the moment you confirm your partnership package. Our dedicated symposium team will provide you with clear and timely responses and information relating to your package. We aim to do our best to maximise the exposure of your partnership. A planned marketing strategy will ensure that you and your brand will receive widespread exposure in the lead up to, during and post Forum.

APPLIANCE TESTING

All electrical appliances and leads used on site must comply with the Australian Standard AS/NZ 3760:2010, which requires the appliance to be inspected, tested and tagged. Items that do not comply will not be permitted to be used on site. Electrical items such as switchboards, cables and outlet fittings must comply with the Australian electrical wiring standard AS/NZS 3000:2007, and be installed by a qualified A grade electrician. Note: Double adaptors will not be permitted on site, instead power boards with overload cut off are permitted. The venue is at liberty to check that the electrical appliances that you bring on site are appropriately tagged.

EVENT SPONSORSHIP AND EXHIBITION APPLICATION TERMS AND CONDITIONS

A full set of terms and conditions for conference sponsorship and exhibition packages are available on the conference website. When you complete the online acceptance form, you will be required to acknowledge your agreement to these terms and conditions to complete the submission process.
