

## Dr Kenneth Chan

Dr Kenneth Chan (MBChB, MSc, FRANZCO) is an ophthalmologist with a sub-specialist interest in orbital and periocular surgery, having completed his fellowship training in oculoplastic and orbital surgery earlier this decade at Royal Victoria Infirmary, Newcastle-upon-Tyne, UK.

He is the current director of training, as well as the secretary/treasurer, for the NZ Branch of the Royal Australian and New Zealand College of Ophthalmologists.

He has clinical commitments at both Wellington Regional Hospital and Hutt Hospital, as well as in private practice.
