

THURSDAY 14 AUGUST

(Times TBC) Directors of Training Workshop

1700-1830: RANZCR Hosted, Healthcare Industry Function - By invitation only

FRIDAY 15 AUGUST

Clinical Radiology Program

0830-1130 Clinical Radiology Registrar Teaching (Open to Registrars/Trainees Only)

Sponsored by Perth Radiological Clinic

0830-0900 Liver imaging with cases - **A/Prof Kevin Chang**

0900-0930 OSCER-style O&G cases - **A/Prof Emmeline Lee**

0930-1000 Temporal bone with cases - **A/Prof Rohini Nadgir**
1000-1015 Morning Tea

1015-1115 Fellows discussions

1115-1130 Trainee Group Discussion - Trainee Liaison Officer

Clinical Radiology Program

1200-1245 Welcome Lunch & Industry Exhibition

1245-1500 Session 1

1245-1300 Welcome & Mihiwhakatau

1300-1330 CT colonography overview and 2025 updates - **A/Prof Kevin Chang**

1330-1400 Post-treatment CT and MR imaging in head and neck cancer - **A/Prof Rohini Nadgir**

1400-1425 Conundrums in women's imaging - **A/Prof Emmeline Lee**

1425-1450 Contrast enhanced mammography - **Dr Monica Saini**

1450-1500 Panel Q&A

1500-1530 Afternoon Tea & Industry Exhibition

1530-1700 Session 2
Obex Medical Registrar Research Award and NZRET Prize Presentations

1530-1540 The visualization of focal splenic pathology with ultrasound - **Dr Michelle Bai**

1540-1550 Incidental adrenal nodules and growth rates: Is one year follow-up useful? - **Dr Julie Hu**

1550-1600 Ethnic differences in outcomes of stroke clot retrieval in New Zealand - **Dr Jaron Huang**

1600-1610 The utility of prevertebral fat stranding in aiding early diagnosis of spinal osteomyelitis/discitis - **Dr Viknesh Kamalanathan**

1610-1620 Can comics support children and their parents to give informed assent and consent? An embedded randomized controlled trial - **Dr Cil  n Kearns**

1620-1630 Radiological diagnosis of idiopathic pulmonary fibrosis: Is misreporting leading to diagnostic delay? - **Dr Harriet Weststrate**

1630-1640 Ultrasound appearance of autologous fascial slings: A case series - **Dr Angela Gao**

Radiation Oncology Program

1200-1300 Welcome Lunch & Industry Exhibition

1300-1500 Radiation Oncology Registrar Teaching - Session 1

Open to Registrars/Trainees Only

1300-1340 Immunotherapy - **Dr Annie Wong**

1340-1420 Fellowship programs, research topics and career development - **A/Prof Caroline Chung**

1420-1500 Pathology - **Dr Diane Kenwright**

1500-1530 Afternoon Tea & Industry Exhibition

Radiation Oncology Registrar Teaching - Session 2

Open to Registrars/Trainees Only

1530-1610 Life planning advice for Trainees - **Dr April Xu-Holland**

1610-1650 Training updates/Recap on Phase 2 exams/Q&A session - **Dr Lisa Sullivan**

1530-1700 New Zealand RO Executive Meeting

1640-1650 Superior ophthalmic vein dilation - should radiologists always be concerned for underlying acute vascular, orbital or neurological pathology? - **Dr Henry Smith**

1700-1800: Happy Hour & Industry Exhibition <i>Sponsored by Canopy Imaging</i>
1900-2200: ASM Convenors' Dinner <i>By invitation only</i>
1900-2200: Clinical Radiology & Radiation Oncology Registrar & Trainee Dinner <i>Sponsored by Perth Radiological Clinic</i>

SATURDAY 16 AUGUST

Clinical Radiology Program

0830-1000	Session 3
0830-0850	CT colonography - Challenging and interesting cases - A/Prof Kevin Chang
0850-0910	Prostate MRI - Dr Dan Cornfeld
0910-0930	Head and neck emergencies - A/Prof Rohini Nadgir
0930-0950	Current treatment of subdural haematomas - Dr Muthu Muthappan
0950-1000	Panel Q&A
1000-1030	Morning Tea & Industry Exhibition
1030-1230	Session 4
1030-1100	Errors in women's imaging - A/Prof Emmeline Lee
1100-1125	Meshy business - Pelvic floor ultrasound - Dr Jane Peart
1125-1145	Meshy business - MRI - Dr Helen Moore
1145-1215	Pelvic congestion syndrome - Dr Bakar Ba
1215-1230	Panel Q&A

1230-1330 RANZCR NZ Branch Committee Meeting

1230-1330 Lunch & Industry Exhibition

1330-1500	Session 5
1330-1400	Endometriosis/adenomyosis - A/Prof Emmeline Lee
1400-1425	AI in fetal ultrasound - Dr Jade Lodge
1425-1450	Critical findings in O&G - Dr Rachael McEwing
1450-1500	Panel Q&A
1500-1530	Afternoon Tea & Industry Exhibition

1530-1630: Combined Faculty Session: Ethical and medico-legal considerations of AI in clinical practice

Karaitiana Taiuru, Adam Holloway

1630-1700: RANZCR NZ Branch Annual General Meeting

1900-2230: Conference Dinner | Parliament Buildings

Radiation Oncology Program

0815-1000	Session 1
0815-0830	Welcome & Mihiwhakatau
0830-0900	AI and data in radiation oncology - A/Prof Caroline Chung
0900-0930	Benign condition RT - Dr Richard Shaffer (remote presentation)
0930-1000	Robotic surgery and NPC screening - Mr Stuart Burrows
1000-1030	Morning Tea & Industry Exhibition
1030-1230	Session 2
1030-1055	Renal and adrenal stereotactic ablative body radiotherapy - Dr Joe Chang (remote presentation)
1055-1120	Interventional - bone management - Dr Bakar Ba
1120-1145	Past, present and the future of brachytherapy - Dr Carol Johnson
1145-1235	Proffered paper presentations
1145-1155	Financial toxicity in cervical cancer patients at a tertiary New Zealand Radiation Oncology centre - Dr Gina Franklin
1155-1205	Early radiotherapy skin toxicity and treatment beams energies used within the FAST-Forward protocol: a baseline audit at Palmerston North Hospital, New Zealand - Dr Dushiyanthi Rasanathan
1205-1215	Wait-times at Christchurch hospital for adjuvant breast irradiation and the impact of the COVID-19 pandemic - Dr Junya Robinson
1215-1225	Feasibility of CBCT-LINAC-based simulation for whole brain radiotherapy - Dr Dorothy Lombe
1225-1235	Evaluating the impact of a palliative care advanced practice radiation therapist (APRT) role on service delivery and patient outcomes in radiation oncology - Danielle Duff

1230-1330 Lunch & Industry Exhibition

1330-1500	Session 3
1330-1400	MDT Session - Salvage prostate Dr Doug Iupati, Dr Peppe Sasso, Mr Omid Yassaie
1400-1430	Digital twins - A/Prof Caroline Chung
1430-1500	Unravelling cerebral radiation necrosis: Diagnosis, grading and management options - A/Prof Bala Vellayappan (remote presentation)

1500-1530 Afternoon Tea & Industry Exhibition

SUNDAY 17 AUGUST

Clinical Radiology Program

0830-1000 Session 6

0830-0900	MRI in abdominal emergencies - A/Prof Kevin Chang
0900-0925	Measuring what we see: PET/CT quantification - Dr Naima Tag
0925-0950	PE and DVT thrombectomy - What are we looking for? - Dr Shueh Lim
0950-1000	Panel Q&A

1000-1030 Morning Tea & Industry Exhibition

1030-1200 Session 7

1030-1050	Strategies for Remote Teaching - A/Prof Rohini Nadgir
1050-1110	MSK embolisation for pain management - Dr Shueh Lim

1110-1130 Incidental MSK findings - **Dr Jack Tsai**

1130-1150 Radiology Across Borders - **Dr Jash Agrawal**

1150-1200 Panel Q&A

1200-1210: Combined Closing Comments and Karakia

Radiation Oncology Program

0830-1000 Session 4

0830-0900	Local MRI Linac experience - Dr Tiv Senanayake
0900-0930	Lab research - A/Prof Caroline Chung
0930-1000	Economic burden of HPV-related cancers in New Zealand - Prof Swee Tan

1000-1030 Morning Tea & Industry Exhibition

1030-1200 Session 5

1030-1050	HDR salvage brachtherapy experience - Dr Doug Iupati
1050-1110	AI contouring and implementation - Mr Aidan Leong
1110-1130	The role of radiotherapy in lymphoma CAR T-cell therapy - Prof Robert Weinkove
1130-1150	Medical oncology update - New drugs and RT - Dr Anne O'Donnell

Move to plenary for closing
