

RANZCR NZ ASM 2024 | Program

THURSDAY 1 AUGUST			
1030-1700		Directors of Training Workshop (Copthorne, Hotel)	
1700-1800		RANZCR Hosted, Healthcare Industry Function - By invitation only (Impressions Bar, Copthorne Hotel)	
FRIDAY 2 AUGUST			
Clinical Radiology Program (Millennium)			
0830-1130	Clinical Radiology Registrar Teaching (Open to Registrars/Trainees Only) Sponsored by RHCNZ		
Chair:	Dr Sophie Lee		
0830-0900	Case based discussion - Dr Richard Do		
0900-0930	Case based discussion - Dr Giles Maskell		
0930-1000	Case based discussion - Dr Daniel Cornfeld		
1000-1015	Morning Tea		
1015-1100	Fellowship Experience: Dr Cynthia Benny, Dr Rohana Gillies , Dr Ushan De Silva		
1100-1130	Trainee Group Discussion - Ms Anne Rogan (Head, Examinations RANZCR)		
Clinical Radiology Program (Millennium)		Radiation Oncology Program (Copthorne)	
1200-1245	Welcome Lunch & Industry Exhibition		
1245-1500	Session 1		
Chair:	Dr Luke Wheeler		
1245-1300	Welcome & Mihiwhakatau Dr Sharon Ngu		
1300-1330	Optimised liver imaging protocol: Which contrast and sequence and why? Dr Richard Do		
1330-1400	Radiology errors - Why does it happen and what can we do about it? Dr Giles Maskell		
1400-1425	Pearls and pitfalls of mpMRI & early daze of PSMA PET MRI Dr Lisa Tarlinton		
1425-1450	Stroke imaging Dr Rohana Gillies		
1450-1500	Panel Q&A		
1500-1530	Afternoon Tea & Industry Exhibition		
1530-1700	Session 2 Obex Medical Registrar Research Award and NZRET Prize Presentations Chairs: Dr Marnie Cox, Dr Raylynn Rai		
1230-1300	Welcome Lunch & Industry Exhibition		
1300-1445	Radiation Oncology Registrar Teaching - Part 1		
Chair:	Dr Giuseppe Sasso, Dr Jerusha Padayachee		
1300-1340	Pathology Dr Leanne Tyrie		
1340-1410	Prostate SABR and UltrahypoFx Dr Han Kim		
1410-1445	Bladder cancer Prof Farshad Foroudi		
1445-1500	Afternoon Tea		
1500-1600	Radiation Oncology Registrar Teaching - Part 2		
1500-1530	Brachytherapy for gynaecological malignancies Dr Dorothy Lombe		
1530-1600	Exam preparation and tips Dr Eileen O'Reilly		
1530-1700	New Zealand RO Executive Meeting (Copthorne Room 3)		
1600-1645	Radiation Oncology Registrar Drinks with the Industry RO Industry Exhibition (Copthorne)		

1530-1540	Reduced scan-to-puncture times are associated with improved patient outcomes following endovascular treatment of acute ischaemic stroke - <i>Dr Kelly Aitken</i>
1540-1550	AI assisted generation of the RANZCR Phase 1 anatomy multiple choice questions (MCQ) - <i>Dr Aabharika Bose</i>
1550-1600	Segmental MRI pituitary and hypothalamus volumes post Fontan: An analysis of the Australian and New Zealand Fontan registry - <i>Dr Waverley Gee</i>
1600-1610	Utility of PET CT in CT stage IA non-small cell lung cancer: The New Zealand Te Whatu Ora Northern Region experience - <i>Dr Richard Kelly</i>
1610-1620	Down the rabbit hole of automation: Enhancing radiology workflow efficiency with AutoHotKey - <i>Dr Tubo Shi</i>
1620-1630	Radiologically inserted gastrostomy - Call for national protocols - <i>Dr Erika Stark</i>
1630-1640	The clinical outcomes in patients presenting with RIF pain but normal ultrasound examination: What are we missing? - <i>Dr Nicholas Willmore</i>
1640-1650	First clinical experience with 68Ga-FAPI PET/CT in lobular breast cancer - <i>Dr Remy Lim</i>
1650-1700	Evaluation of A.I assisted generation of RANZCR phase 2 neuropathology multiple choice questions - <i>Dr Barry Schmidt</i>

1700-1800	Happy Hour & Industry Exhibition (Millennium)		
1830-2200	ASM Convenors' Dinner - By invitation only		
2030-2200	Clinical Radiology Registrar & Trainee Dinner Baja Mexico (Sponsored by RHCNZ)	2000-2200	Radiation Oncology Registrar & Trainee Dinner Margo's Queenstown

SATURDAY 3 AUGUST

0700-0745 IR and INR Breakfast (Galaxy Ballroom, Millennium)

Looking forward to a bright future for interventional radiology and interventional neuroradiology.

Speaker: A/Prof Nick Brown, RANZCR Interventional Radiology Committee Chair

Clinical Radiology Program (Millennium)

0815-1000 Session 3

Chair: Dr Jane Reeve

0815-0840 Pancreatic cystic lesions: Diagnosis and management

Dr Richard Do

0840-0905 Incidental findings - What is a sensible approach?

Dr Giles Maskell

0905-0930 What is new in breast imaging

Prof Wendy DeMartini

0930-0955 Chest radiology for the General Radiologist

Dr Cynthia Benny

0955-1000 Panel Q&A

1000-1030 Morning Tea & Industry Exhibition

1030-1230 Session 4

Chair: Dr Divya Mehta

1030-1100 Natural language processing of radiology reports - Insights into metastatic

disease patterns

Dr Richard Do

1100-1130 Approach to challenging mpMRI prostate cases

Dr Lisa Tarlinton, Dr Remy Lim

1130-1150 Space medicine

Dr Lisa Brown

1150-1200 Panel Q&A

1200-1230 Radiology Quiz - Rap Battle

Drs Graeme Anderson, Jennifer Donald

1230-1330 Lunch & Industry Exhibition

1230-1330 RANZCR NZ Branch Committee Meeting (Meeting Room 1, Millennium)

1330-1500

1330-1350 Climate change and Radiation Oncology/Radiology: What can we do? - Dr Clinton Pinto

Radiation Oncology Program (Copthorne)

0800-1000 Session 1

Chair: Dr Andrew Macann

0800-0815 Welcome & Mihiwhakatau

0815-0840 Early breast cancer - Hypofractionated RT, accelerated partial RT or no RT?

Prof Farshad Foroudi

0840-0905 Surface Guided Radiotherapy for Breath Hold SABR

Ruth Smith

0905-0935 Minimally invasive surgery for head and neck malignancies

Mr Joseph Earles

0935-1000 Theranostics in prostate cancer

Dr Remy Lim

1000-1030 Morning Tea & Industry Exhibition

1030-1230 Session 2

Chair: Dr Susan Brooks

1030-1055 Panel discussion: SABR contouring pearls

Drs Han Kim, Louis Lao, Giuseppe Sasso

1055-1120 MR SIM and MR Linac: Experiences of an Australian department

Prof Farshad Foroudi

1120-1140 Implementation of MASTERPLAN trial of stereotactic radiotherapy for

pancreatic cancer

Dr Iain Ward

1145-1200 NZ access to proton therapy

Dr Frank Saran

1200-1230 Oral Abstract Presentations

1200-1207 Retrospective review of radiotherapy for Dupuytren's disease - Dr Caitlin

McEwen

1221-1228 A national radiotherapy incident reporting and learning system for New

Zealand - Dr Iain Ward

1230-1330 Lunch & Industry Exhibition

Combined Faculty Session 1

Chair: Dr Sharyn MacDonald

Climate change and Radiation Oncology/Radiology: What can we do? - Dr Clinton Pinto

	RANZCR President Panel Discussion:
1350-1500	The current state of radiology, radiation oncology and the healthcare system. The role of professional bodies, workforce, training and the future. <i>Drs Giles Maskell, Sharyn MacDonald, John Slavotinek, Gabriel Lau, Claire Hardie, Melissa James</i>
1500-1530	<i>Afternoon Tea & Industry Exhibition</i>
	Combined Faculty Session 2: Ngā tuituingā ā Mātai ki te hāpaori
1530-1630	The binding or threading of Mātai to/with the community <i>Chair: Dr John Childs</i> <i>Leigh Potter, Dr Daniel Cornfeld (Matai Medical Research Institute)</i>
1630-1700	RANZCR NZ Branch AGM
1900-2230	<i>Conference Dinner (The Winehouse)</i> <i>Transfers depart The Millennium from 1840</i>

SUNDAY 4 AUGUST

Clinical Radiology Program (Millennium)

0830-1000 Session 5: Hepatobiliary MDT

Chair: Dr Chris McKee

0830-0950 Case based discussions
Drs Chris McKee, Rahul Bera, Sanjeev Deva, Richard Do, Universe Leung

0950-1000 Panel Q&A

1000-1030 Morning Tea & Industry Exhibition

1030-1215 Session 6

Chair: Dr Martin Gunn

1030-1055 Building and maintaining a healthy culture in a radiology department
Dr Giles Maskell

1055-1120 Standardised reporting for cancer patients
Dr Richard Do

1120-1145 What is new in breast MRI
Prof Wendy DeMartini

1145-1205 Acute obstetric imaging - time critical conditions you don't want to miss
Dr David Perry

1205-1210 Panel Q&A

1210-1215 Closing comments

Radiation Oncology Program (Copthorne)

0815-1000 Session 3

Chair: Dr Dorothy Lombe

0815-0845 Locally recurrent prostate cancer
Prof Farshad Foroudi

0845-0910 Using novel drug - radiation combinations to modify the tumour environment and improve outcomes in head & neck cancer – the University of Auckland research programme
Dr Andrew Macann

0910-0935 Coordinating research in NZ
Melissa Martel

0935-1000 Asia-Pacific radiation oncology
Dr Iain Ward

1000-1030 Morning Tea & Industry Exhibition

1030-1245 Session 4

Chair: Laura Ciurlionis

1030-1055 PTV margins: History and future of the perpetual debate between Physicists and Radiation Oncologists
Deirdre Hutton

1055-1115 Spacers in prostate radiotherapy
Mr Rodney Studd

Industry Sponsored Sessions:

1115-1155 **Elekta:** Unity MR Linac clinical updates - Enabling MR guided adaptive radiotherapy with comprehensive motion management and automatic gating
Dr Veronica Dell'Acqua

1155-1235 **Varian:** Embracing innovation and enhancing outcomes with advanced technology
Dr Sushil Beriwal

1235-1245 Closing comments
