

2022 Poster Competition

Sponsored by Cyclotek PET Radiopharmaceuticals

"Doesn't expecting the unexpected make the unexpected expected?"

- Bob Dylan.

"Exploring the unexpected through 80 decays or less"

Nuclear medicine and PET/CT are famous for finding the unexpected.

Let your poster take us on an unexpected journey to explore the surprises of imaging through half-lives and decay

Open to all members of NZ NM And PET community

Prize: 1st prize \$500

[Register online today](#)

The conference committee for the 2022 NZ branch meeting of the ANZSNM would like to thank Cyclotek for their continued support of the imaging community of New Zealand.
