FUNDING

ISLAND & NATIONAL CHALLENGES

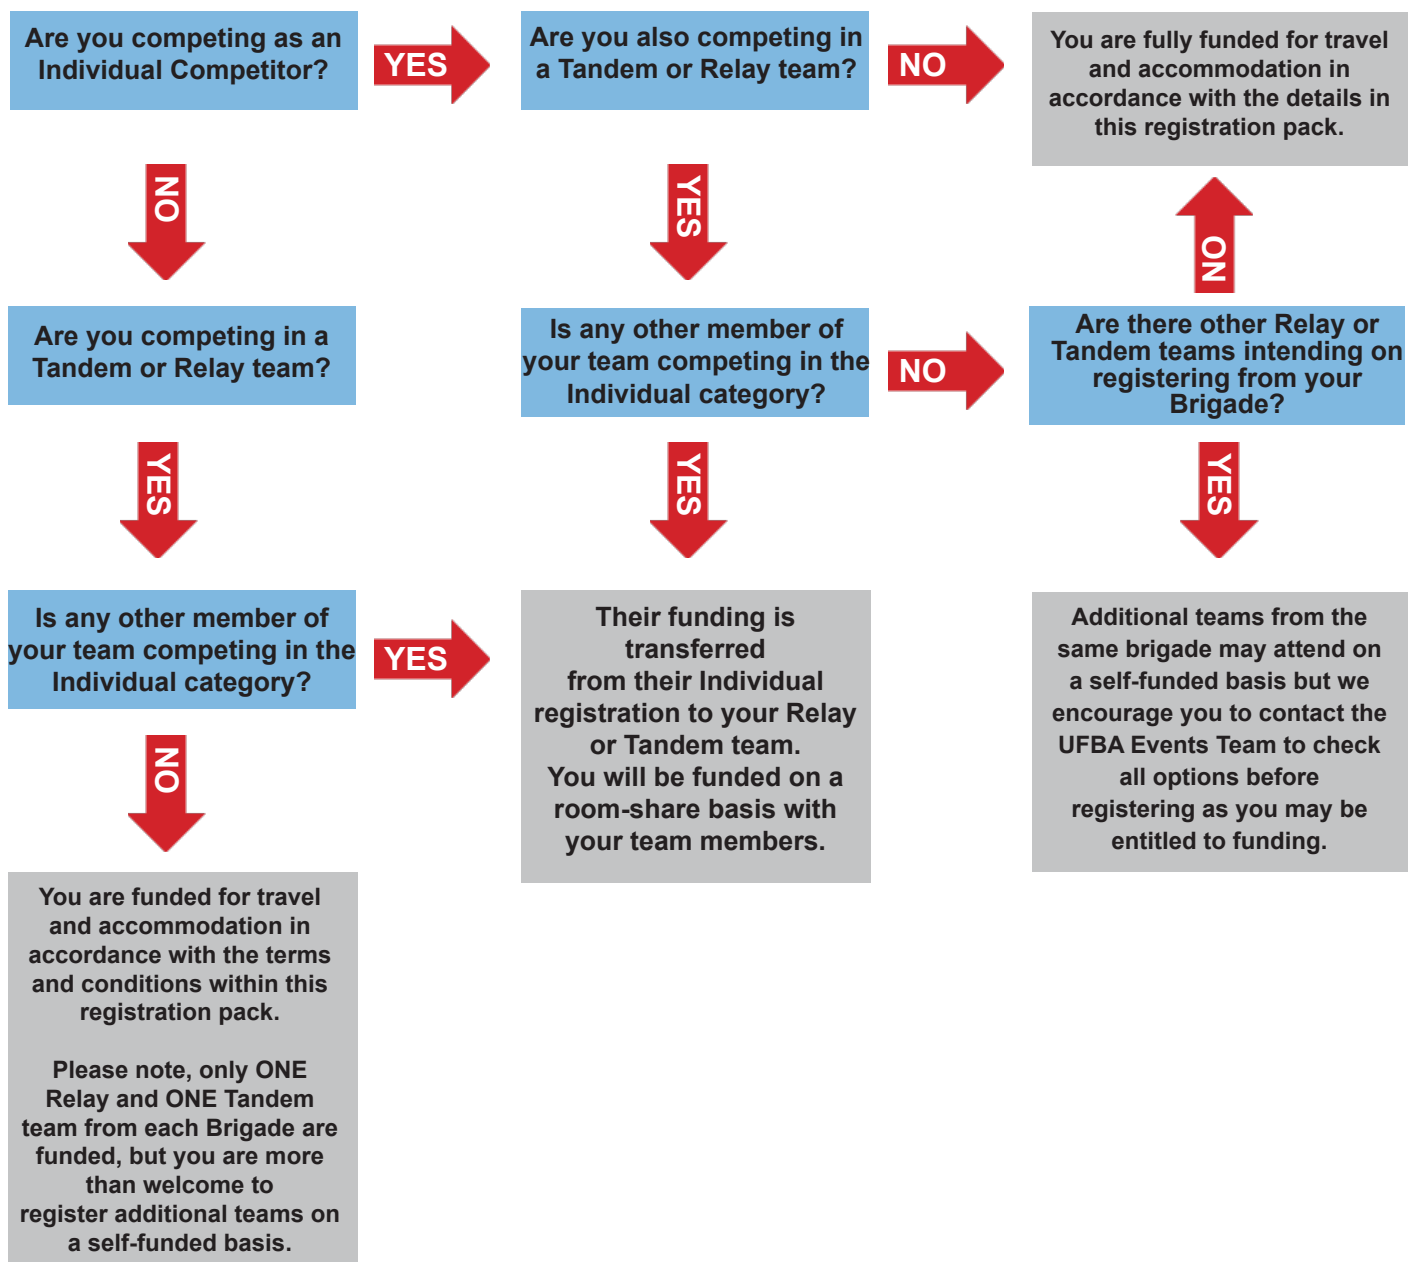

FUNDING

This funding chart applies to both Island and National Challenges.

All UFBA Firefighter Combat Challenges will be funded for Individual Competitors and for ONE Tandem and ONE Relay team per UFBA Member Brigade. You are more than welcome to register additional Relay and Tandem teams but only one will be funded and you will be responsible for all costs for any additional team.

If your Tandem and/or Relay includes already funded Individuals and there are other Tandem or Relay teams in your Brigade, funding may be passed over to them with written approval from the UFBA Events Team.

The chart below will assist you in clarifying how the funding is distributed.

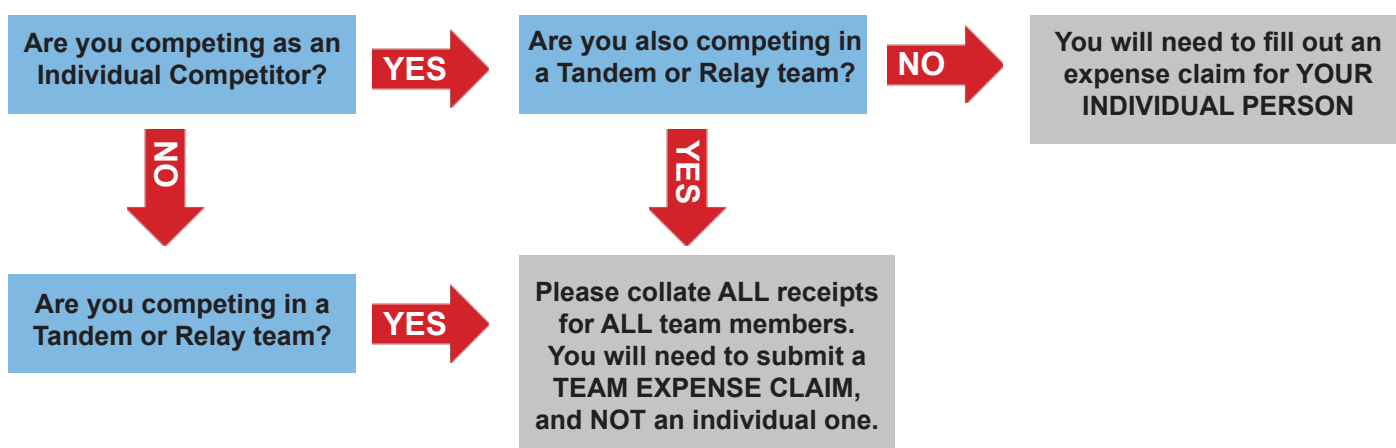

REIMBURSEMENT - EXPENSE CLAIMS (UFBA FUNDED COMPETITORS ONLY)

The chart and information below describes what you are eligible to claim back, and HOW to claim back. In your final information email, and your confirmation of registration, you will be sent an expense claim to fill out.

You must include GST receipts.

- One Expense Claim per team will be accepted.
- Even if you know what your expenses will be, expense claims are not reimbursed until after the Challenge.
- Expense claims are due in no later than one calendar month from the conclusion of the attended Challenge.
- The relevant date will be on the top of the expense claims and **no exceptions will be made** for forms that are received at the UFBA Office later than the stipulated date.
- Meals provided during the course of the Challenge will not be reimbursed.

Please include as much information in relation to your expenditure as possible on your Expense Claim form.

If you have not filled in your expense claim correctly...

It will be returned to you and will not be processed until we get it back correctly filled in with ALL applicable GST receipts.

Is there anything I can't claim back?

At any of our challenges, unless otherwise stated, the UFBA does not reimburse for loss of wages, excess baggage, laundry services, hotel room service, airline loyalty club visits, car or trailer rentals, alcohol, taxis, mileage accumulated for the duration of the challenge, registration fees, partner costs, or meals on nights where UFBA has already organised functions.

If you are unsure, please contact events@ufba.org.nz to get clarification or prior approval before booking anything that you think you will be claiming that might fall outside of the normal allowances.

NOT QUALIFIED FOR ANY FUNDING OR REIMBURSEMENT

- Composite teams - made up of members from different Brigades
- Teams that have not competed in a North or South Island Challenge who wish to attend Nationals (unless you receive exemption from the UFBA Technical Panel)
- Individuals competing in an Island event that is outside of their own Island.
- International teams.
- Partners and Observers

It is at the discretion of the UFBA Events Manager and Technical Panel to restrict funding and/or numbers where necessary in order to fairly benefit all Member Brigades that wish to participate. Please remember, not only are we restricted by funding, we are also restricted by the number of runs we can have on the Challenge day(s).

INFORMATION

ISLAND CHALLENGES

INTERESTED INTERNATIONAL COMPETITORS - ISLANDS

If you wish to enter our UFBA Island Challenges as an International competitor, there are a few things you must first understand:

- This event is for UFBA Members however, we will consider international registrations on a case by case basis once we have a clear indication of our member numbers.
- You will **NOT** be eligible for funding, accolades or placings.
- If registering a relay team - you will run the standard seeding round as per the draw. When it goes into the 'knockout' rounds, you will run against a 'hybrid' team that will be established on the day. Tandem and Individual runs will be laid out in the draw as per the normal challenge.
- You are required to fund your own flights and accommodation, and catering is NOT included in your registration fee.
- If you wish to enter more than one event (i.e. Relay and Individual), you will be charged the largest international fee, and then the remainder will match the UFBA competitor fees from the first page - i.e. \$600 relay + \$70 individual - this will still not include catering which you can purchase at the costings below.
- We will try and accommodate dietary requirements once tickets are purchased, but this will depend on the catering supplier that we have already pre-arranged.

TYPE	FEE	PRIZEGIVING	LUNCH
International Individual Competitor	\$250.00	\$60.00	\$20.00
International Tandem Team	\$400.00	\$60.00	\$20.00
International Relay Team	\$600.00	\$60.00	\$20.00
Additional Tickets*	--	\$60.00	\$20.00

TRAVEL, MILEAGE & TRANSFERS (UFBA FUNDED COMPETITORS ONLY)

We recommend that you drive to Island Challenges. If you believe that you require flights, please contact the UFBA Events Team to discuss your best option. Should you be eligible for funded flights, you will then be sent a link to book your flights through Orbit Travel online.

Driving vs flying

We encourage both Officials and Competitors to travel together where possible. Flights will not be considered for those that live within 200km of the host venue.

If you choose to drive when it is cheaper to fly, you will be reimbursed to the value of the airfare as advised by Orbit Travel post-Challenge. Where you choose to drive when flying is a better option, and require an additional night(s) accommodation, you will need to fund this yourself. This means the same UFBA-secured accommodation rates cannot be guaranteed. The UFBA will use discretion to reimburse travel for the most cost-effective method of transport, regardless of how you choose to travel. Please do keep this in mind to avoid disappointment.

Mileage will be paid at rates consistent with Fire and Emergency NZ policy and one return trip will be calculated from the centre of your town to the centre of the host town, as per [Google Maps](#). Mileage during the event will not be reimbursed.

Airport transfers (Where applicable)

Transfers between the airport and the event venue will be automatically arranged by the UFBA in accordance with the flight reports obtained from Orbit Travel. If you intend to book your flights through another travel provider, it is your responsibility to get your flight details through to events@ufba.org.nz no later than 14 days before the Challenge date, if you wish to be included in airport transfers.

Challenge Transport

It is assumed that you will have your own transport during an Island Challenge and therefore limited transport and transfers will be available. We will have transfers from the airport to your hotel provider and also for getting you to and from our social functions.

ACCOMMODATION

(UFBA FUNDED COMPETITORS ONLY)

Competitors within their own Island, are funded for accommodation and reasonable travel costs in line with the distance allowances below. Accommodation for those competing in Tandem or Relay events is based on twin-share accommodation.

If you live more than 200km away from the Challenge venue: Two nights of funded accommodation at one of the UFBA-selected accommodation suppliers.

If you live between 100-200km of the Challenge venue: One night of funded accommodation at one of the UFBA-selected accommodation suppliers.

If you live between 100km of the Challenge venue: No funded accommodation, but there may be the option to stay at one of the UFBA-selected accommodation suppliers at your own cost if you wish.

Distances are calculated using [Google Maps](#) and are based on the distance from the centre of your town of origin to the Challenge venue. For those eligible for funding, the following conditions apply:

Individual: UFBA funds one single room unless you fall into one of the below categories also.

Tandem team*: UFBA funds one twin-share room and will be allocated by Orbit Travel.

Relay team*: UFBA funds two twin-share rooms and will be allocated by Orbit Travel.

*Only one Tandem and one Relay team are funded for your Brigade.

On all of the above options, you will have the choice of booking extra nights or rooms on a self-funded basis. You will be invoiced for the extra cost, required to pay in advance and all standard booking terms and conditions will apply.
