Welcome to Queenstown, New Zealand

Sitting nestled against the shores of Lake Wakatipu, Queenstown is one of the most picturesque places in New Zealand. Its panoramic views of the Southern Alps create a dramatic backdrop for one of New Zealand's greatest tourist destinations.

Known as the 'adventure capital' of New Zealand, Queenstown has numerous activities to please the thrill seeker, including speed boating across the Shotover river, and bungy jumping off the Kawarau Gorge suspension bridge. In winter, there are the world-famous ski fields of Coronet Peak and The Remarkables. Whilst Queenstown is renowned for its adventure tourism, equally, its offerings of world-class vineyards and luxury spa centers make it a town for all to enjoy.
