

# AtriCure & ParagonCare

*Invites you to join us*

We are pleased to invite you to a session that aims to foster a collaborative approach, enhance familiarity, and build consensus around surgical ablation in Atrial Fibrillation (AF) management through hands-on training and multidisciplinary discussions.

## Advanced Surgical Ablation Workshop | NZ APHRS

**Friday 27<sup>th</sup> February 2026**

**3.30pm - 6.30pm**

The session will be followed by refreshments and canapes. Transportation to and from the workshop location will be provided, details to follow closer to the event.
