

Precise Activation of Ziwei Bazi and Feng Shui for Growth in Metaphysics, Career & Business Opportunities

A Pre-Convention Workshop for IFSC 2026 by Master Ray Goh

Unlock Opportunities Through Destiny and Feng Shui

Why do some individuals and businesses flourish while others struggle despite equal effort? Beyond hard work, success is often influenced by the interaction between **Heaven Luck (Destiny)**, **Earth Luck (Feng Shui)**, and **Human Luck (Actions)**. This exclusive workshop reveals how the combined application of **Ziwei Bazi** and **Classical Feng Shui** can be used to identify opportunities, avoid pitfalls, and activate favourable influences for career advancement, business growth, and long-term success. Designed for practitioners, entrepreneurs, and professionals, this session presents a practical and systematic approach to understanding when to act, what to strengthen, and how to align the environment to achieve optimal results.

What You Will Discover

- How Ziwei Bazi reveals talents, strengths, opportunities, and challenges.
- How timing influences career advancement, business growth, and major decisions.
- How to recognize potential pitfalls and avoid costly mistakes in Metaphysics.
- How to determine what aspects of life, career, and business require strengthening.
- How Feng Shui can support reputation, authority, networking & opportunities.
- How to integrate Destiny, Feng Shui, and strategic actions for effectiveness.

Programme Highlights

- Identifying favourable timing for growth and expansion.
- Understanding key opportunities and challenges within a destiny chart.
- Applying practical activation and enhancement strategies.
- Integrating Heaven Luck, Earth Luck, and Human Luck into a unified approach.
- Exploring practical applications through real-life examples and case studies.
- Understanding when to activate opportunities and when to consolidate.
- Enhancing reputation, influence, wealth, and professional relationships.
- Applying land energy activation strategies with precision and proper timing.
- Understanding how external forms and internal layouts influence outcomes.
- Utilizing Feng Shui to complement the potential indicated in the destiny chart.

Who Should Attend?

- Feng Shui and metaphysics practitioners.
- Entrepreneurs and business owners.
- Corporate professionals and executives.
- Consultants and advisors.
- Individuals seeking greater clarity in career and life planning.

Key Takeaway: Success is not determined by effort alone. Align Destiny, Timing, and Feng Shui to identify opportunities, avoid costly mistakes, and achieve growth in any career and business. In an increasingly competitive and rapidly changing world that requires more than knowledge and hard work. Understanding **when to act, what to strengthen, and how to align one's environment** can make the difference between merely working hard and achieving meaningful results.
