0800	<b>Registration opens</b>	
0900	<b>EPIC Yarning</b>   Medical/Dental Practitioner: \$320.00   Psychologists/Trainee/Nursing/Allied Health: \$185.00 <a href="#">Lungkata Room</a>  EPIC is the Effective Peri-Procedural Communication interest group within SPANZA. EPIC aims to provide language, communication and imaginative techniques for every child during medical procedures. The 'EPIC Yarning' masterclass will involve learning from complex case presentations and highlight how successful interventions can be achieved through utilisation of the EPIC principles. Learning will be interactive and experiential and it is recommended that participants have previously attended the EPIC 1-day workshop, but not essential. During this masterclass you will discover new approaches to engage and empower children having procedures through communication and imaginative techniques.

## THURSDAY 16 OCTOBER 2025

## OPTIONAL TOURS

<b>0415</b> - <b>0630</b>	<b>Uluru Sunrise &amp; Field of Light   \$109.00 per person</b>  This morning, you'll be taken to the Field of Light to explore 50,000 illuminated globes before watching the sunrise over Uluru and Kata Tjuta with tea or coffee in hand. Enjoy the desert's transformation as dawn light reveals the stunning landscape before returning to your hotel.
<b>0430</b> - <b>1000</b>	<b>Uluru Sunrise &amp; Kata Tjuta   \$219.00 per person</b>  Start your morning at Talinguru Nyakuntjaku to watch the sunrise over Uluru with a cup of tea or coffee. Then, head to Kata Tjuta for a walk through Walpa Gorge, exploring its towering domes and unique rock formations.
<b>0500</b> - <b>1045</b>	<b>Uluru Morning Guided Base Walk   \$219.00 per person</b>  Start your Uluru Base Walk at sunrise with your guide, beginning at the sacred Kuniya Piti site and hearing the Tjukurpa stories of the Mala Men and Blue Tongue Lizard. Explore Kantju Gorge, the Mutitjulu Waterhole, and ancient rock paintings before returning to your coach for the short ride back to the resort.

## OPTIONAL WORKSHOPS

<b>0700</b> - <b>0800</b>	<b>WELI Breakfast   \$35.00</b> <a href="#">Tjungu Ballroom</a>  The breakfast will start with an update on WELI activities to date before a brief presentation relevant to leadership in the modern era. This will be followed by a networking opportunity, with some icebreakers and talking points to get the conversations flowing.
<b>0830</b> - <b>1030</b>	<b>TIVA Workshop   \$250.00</b> <a href="#">Tjalia Room</a>  Join our team of TIVA enthusiasts to explore the art and science of delivering safe, reliable, and practical paediatric TIVA. We will unpack some of the evidence, pharmacology, and TCI models, including a discussion of TIVA adjuvants and an examination of the new Eleveld model. We will also facilitate small group discussions to enable the sharing of recipes, tips, experiences, and questions.  <b>Dot Painting Workshop   Adult: \$132.00   Child: \$105.60</b>  Two local Mutitjulu Community-owned businesses Ininti Café & Walkatjara Arts have teamed up to host the exclusive Uluru Dot Painting Experience. This immersive 1.5-hour experience takes place within the Ininti Café at the Cultural Centre, in an exclusive upstairs space offering breathtaking views of Uluru. Guests are guided by a respected Walkatjara Artist from the Mutitjulu Community, alongside a Walkatjara Arts narrator during this experience. This event invites guests to connect with the ancient Anangu wisdom of the land. Hear stories in the native Pitjantjatjara language, translated into English, and discover the traditional symbols that hold the spirit of the Anangu people. Guests also enjoy a curated Ininti Morning Tea provided by a dedicated host. As a memorable takeaway, each guest will leave with a unique canvas keepsake created with the guidance of our Walkatjara team.

## OPTIONAL WORKSHOPS

<b>0830</b> - <b>1030</b>	<b>Paediatric Life Support Workshop   \$300.00</b> <a href="#">Tjalia Room</a>
	This emergency response workshop is an opportunity to update and refresh your paediatric resuscitation knowledge and skills. It is an interactive workshop with stations covering Basic Life Support, Advanced Life Support (management of shockable and non-shockable rhythms) as well as newborn resuscitation. This workshop will meet ANZCA CPD standards as a Cardiac Arrest Emergency Response activity.
	<b>Infant CICO and eFONA with Emergency Response Code Workshop   \$300.00</b> <a href="#">Maku Room</a>
	Infant CICO and eFONA workshop. Theory and practical component with high fidelity model. Will satisfy ANZCA requirement for CICO emergency response activity.
<b>0830</b> - <b>1030</b>	<b>Regional Workshop   \$250.00</b> <a href="#">Lungkata Room</a>
	This workshop will cover ultrasound-guided caudal blocks in children, including anatomy, technique, equipment, additives, continuous catheters and hands-on live scanning. In our remaining time, we will cover a selection of Plan A blocks - high value, low complexity blocks.
<b>0830</b> - <b>1030</b>	<b>Rheumatic Heart Disease Workshop   \$250.00</b> <a href="#">Tjakura Room</a>
	The Rheumatic Heart Disease (RHD) Workshop will provide health professionals with valuable insights into the prevention, diagnosis, and management of acute rheumatic fever (ARF) and RHD. With nearly all new and recurrent cases occurring in Indigenous populations, this workshop highlights the importance of awareness and early intervention. Attendees will hear from experts in the field and engage in hands-on learning activities covering key topics such as the social determinants of RHD, and medical management strategies. This session is ideal for clinicians working in rural, regional, and urban settings who want to enhance their knowledge and improve patient outcomes.
