

Welcome to the GT Portal

Support Made Simple

As an agency or managed care organization, you need to have powerful technology and tools to keep track of many moving parts. At the same time, those resources need to provide assurance that guidelines—like EVV—are being followed. The GT Portal does both. We created the portal with input from our stakeholders.

Full Reporting Suite

- Real-Time Budget Reporting
- EVV Shift and Location Reporting
- Employee Eligibility Reports
- Authorization Management Reports
- Aggregate Utilization Reports

Active Caregiver Directory

- Over 65,000 available caregivers
- View caregiver info
 - Contact Information
 - Training and Certification
 - Background Check Dates

Useful Auditing Tools

- Paid Timesheet Lookup
- Shift Detail Reports
- Service Location Reports

The GT Portal has tools and features that make it easy to self-direct your services.
