gt | Welcome to GT Enroll
Simple. Secure. Built for Self-Direction.

Enrollments for self-direction involve a lot of moving parts. That's why we're excited to introduce **GT Enroll, an enrollment system custom built for self-direction.**

GT Enroll was designed by a dedicated team of people who have specialized in self-direction for over 20 years. Tested and trusted, GT Enroll takes the complex enrollment process and wraps it into a truly simple solution—no matter your state, program, or waiver.
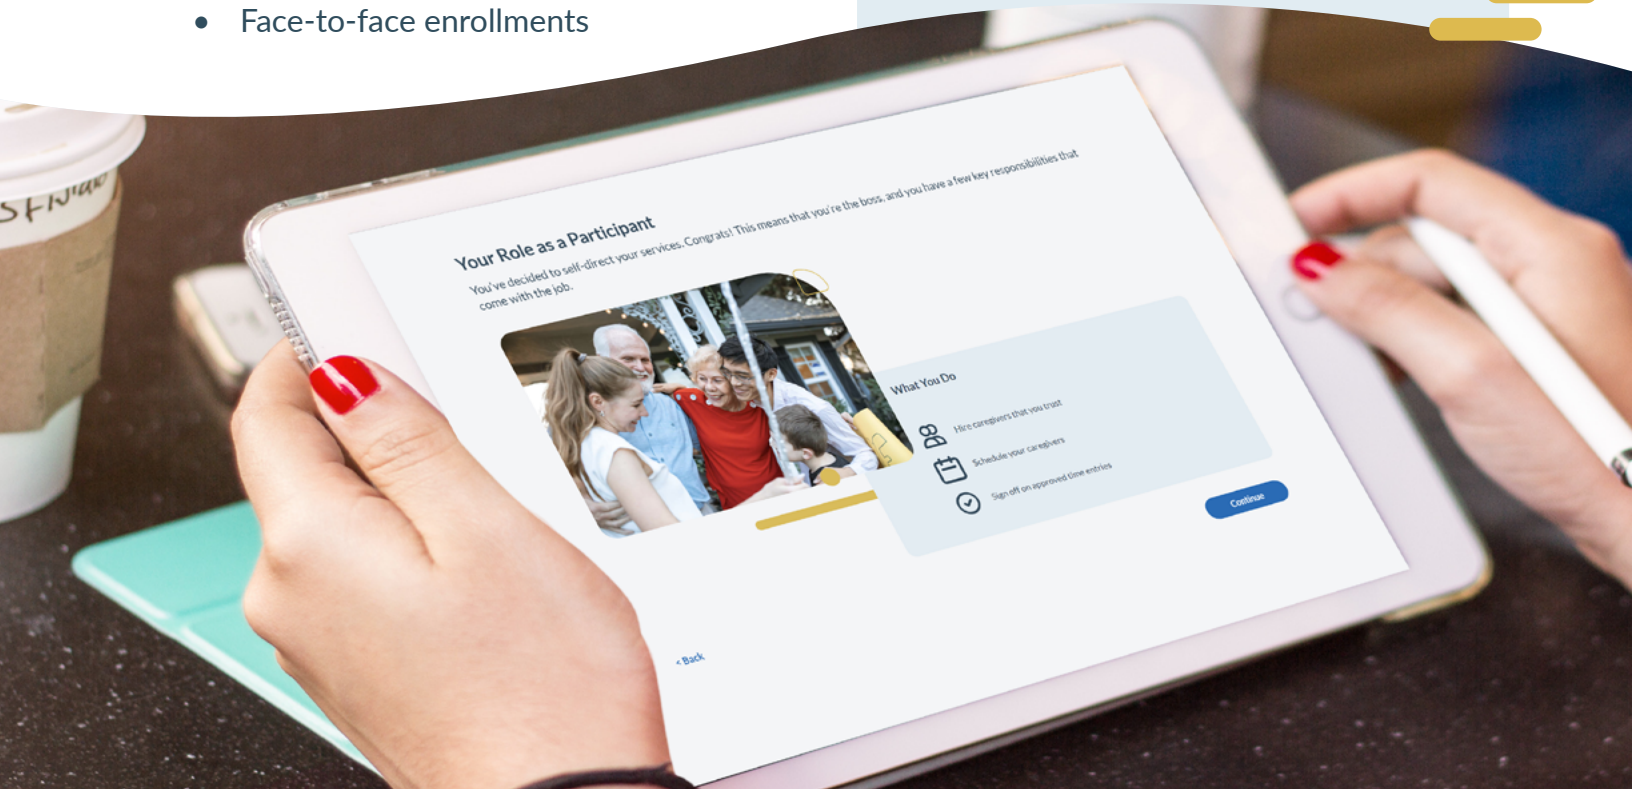

One Simple Solution

- Enter information simply and easily
- Get customized questions based on state and program
- Watch embedded video trainings during enrollment
- Sign once and receive a copy of all executed documents

Choose Your Enrollment

- Virtual enrollments
- Self-service enrollments
- Face-to-face enrollments

Fastest referral to program initiation in the industry.

Average of 5-7 business days from referral to enrollment completion.

GT Enroll at a Glance

Document collection **eliminates back and forth**

Simplified explanations

Fully **integrated**

Review all documents before signing
