

JEAN SCHOOL OF NURSING & HEALTH SCIENCES

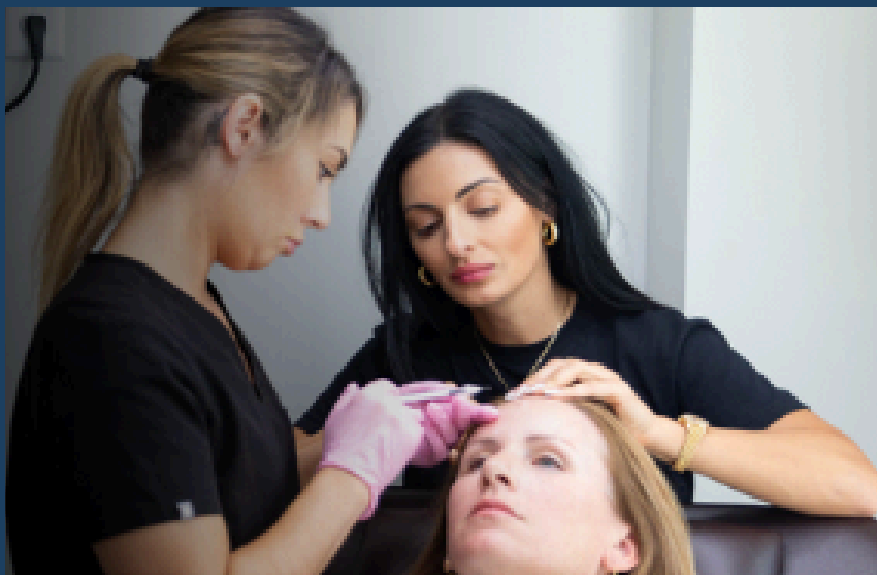

Saint Anselm College Continuing Nursing Education

Mastering Aesthetic Injections

3-Day Hands-On Intensive:

Foundations to Advanced Neurotoxins & Dermal Fillers

Monday June 16 - Wednesday, June 18, 2025

This immersive 3-day intensive workshop is designed for nurses looking to build and advance their skills in aesthetic medicine. Combining Foundational Neurotoxins, Advanced Neurotoxins, and Dermal Fillers, this program provides a progressive learning experience, moving from core principles to expert-level techniques. Participants will gain a deep understanding of facial aesthetics, refine their injection skills, and develop confidence in performing neurotoxin and dermal filler treatments.

With 21 contact hours, including 16 hours of hands-on practice with live models under expert guidance, this workshop offers a comprehensive pathway for nurses committed to aesthetic excellence.
