

2026 SPONSORSHIP AND EXHIBITOR PROSPECTUS

APCNDT ASIA PACIFIC CONFERENCE

Breaking Barriers:
NDT Solutions for a
Changing World

HOSTED BY

The American Society
for Nondestructive Testing

Honolulu, Hawaii
May 11-15th, 2026

INVITATION

We are pleased to invite you to the 17th Asia Pacific Conference on Non-Destructive Testing (APCNDT), a transformative event taking place in Honolulu, Hawaii, from Sunday, May 11th, through Thursday, May 15th, 2026.

In a world undergoing rapid transformation, Non-Destructive Testing (NDT) stands at the forefront of ensuring safety, quality, and reliability. APCNDT 2026 embraces this dynamic landscape, focusing on innovating NDT solutions to meet the evolving challenges of diverse industries.

This year's conference is more than just a meeting; it's a call to action. We aim to transform the future of NDT by fostering collaboration and knowledge exchange among delegates from a wide range of disciplines. The exhibition hall will be the vibrant heart of this exchange, a central hub for networking, education, and shared learning. With daily catering served in the exhibition area, we're maximizing opportunities for connection and engagement.

APCNDT 2026 offers a unique platform to:

- Network with and present groundbreaking technical papers to NDT and Condition Monitoring (CM) professionals.
- Showcase your cutting-edge products and service offerings to a targeted audience.
- Advertise and market your organization, gaining unparalleled visibility.
- Establish, consolidate, and grow vital networks and relationships.

We offer a range of sponsorship packages to amplify your brand exposure and solidify your position as a leader in the NDT field. We are also happy to discuss your specific marketing needs and tailor a package to meet your unique objectives.

We are implementing a comprehensive marketing strategy to attract NDT and CM professionals from across the Asia Pacific region to this event.

We invite you to become a valued stakeholder in APCNDT 2026. Secure your involvement today and join us as we break barriers and shape the future of NDT. We eagerly anticipate welcoming your organization to Honolulu.

Danny Keck

APCNDT 2026 President

Dr. Ikuo Ihara

APFNDT President

THE HOST

For the past 85 years, the **American Society for Nondestructive Testing (ASNT)** has been the leading professional association for individuals and organizations involved in nondestructive testing (NDT) and related fields. ASNT provides its members and stakeholders with a comprehensive range of resources, including certifications, professional development opportunities, industry insights, events, publications, and networking platforms. Additionally, ASNT is dedicated to fostering the growth of future generations of NDT professionals through the ASNT Foundation, ensuring the continued evolution of the field. Through its advocacy efforts, ASNT remains at the forefront of NDT innovation and progress.

To achieve this mission, ASNT operates with the support of a dedicated professional staff at its offices in Columbus, Ohio, Houston, Texas, Washington, DC, and Chennai, India, and relies on the active participation of NDT professionals, companies, and organizations within the NDT industry. Through certification programs, standards, educational resources, conferences, and industry collaboration, ASNT continues to shape the future of the NDT industry worldwide.

HILTON HAWAIIAN VILLAGE WAIKIKI BEACH RESORT: AN OCEANFRONT RETREAT IN HONOLULU

Escape to a tropical hideaway at the Hilton Hawaiian Village. Located on the widest stretch of beach, the Hilton Hawaiian Village's 22-acre paradise features the best pools and water slides in Waikiki, as well as the only saltwater lagoon. Dive into local culture with daily activities and an on-site luau and discover a picture-perfect stay in Honolulu.

THE VENUE

The Hilton Hawaiian Village Waikiki Beach Resort offers expansive and versatile meeting spaces, totaling over 150,000 square feet of indoor and outdoor event areas, making it the premier destination for gatherings in the Pacific.

Go beyond the beach and discover the culture and character of Oahu Island. Sail on a catamaran, meet underwater friends on a snorkeling excursion, and view hidden rain forests and ancient volcanoes on a helicopter ride.

THE CONFERENCE

PROGRAM OVERVIEW

The 17th Asia Pacific Conference on Non-Destructive Testing (APCNDT) is set to be a must-attend event, bringing together NDT professionals from across the globe.

Under the theme *Breaking Barriers: NDT Solutions for a Changing World – Innovate, Adapt, Transform*, this premier conference will spotlight groundbreaking innovations and emerging technologies that are shaping the future of nondestructive testing.

Attendees will have the unique opportunity to engage with global experts, exchange knowledge, and explore cutting-edge solutions to tackle the ever-evolving challenges across industries. Join us to discover how NDT is revolutionizing safety in an era of rapid change.

The event kicks off on Monday, May 11th, with an inspiring keynote presentation, followed by the grand exhibition opening and technical conference sessions.

Over the course of four dynamic days, attendees will gain valuable insights through a diverse and flexible program that caters to different learning preferences. The conference will feature a mix of technical presentations, panel discussions, and industry-led sessions, covering a wide range of NDT applications and innovations across key industry sectors, including:

- Oil & Gas
- Power Generation
- Mining
- Aerospace
- Transportation

Additionally, the program will foster essential discussions on the current and future landscape of international standards, fitness-for-service evaluations, and the latest advancements in risk-based maintenance and inspection strategies.

To maximize learning and engagement, APCNDT 2026 will offer a variety of presentation styles, allowing attendees to tailor their experience based on their preferred format and content delivery. Session types will include technical presentations focused on application-driven topics, panels addressing pressing issues in the NDT profession, such as codes and standards, workforce development, and emerging industry trends, and industry presentations focused on practical applications, real-world success stories, and the impact of NDT advancements in various sectors.

Beyond the technical sessions, APCNDT 2026 offers exceptional networking opportunities, creating a collaborative environment for professionals, researchers, and industry leaders to connect.

A vibrant social program will showcase the best of Honolulu and the Hilton Hawaiian Village Waikiki Beach Resort, offering attendees a unique blend of networking, culture, and breathtaking oceanfront experiences, including:

- Welcome Cocktail Reception in the exhibition hall, set against the stunning backdrop of Waikiki Beach
- Daily networking events designed to foster connections in a relaxed, tropical setting
- A spectacular Gala Dinner, celebrating the spirit of the Pacific with an authentic Hawaiian experience, featuring traditional cuisine, live entertainment, and cultural performances.

The conference and exhibition will conclude on Friday, May 15th, leaving attendees inspired, well-connected, and equipped with fresh insights to drive the future of NDT forward.

CALL FOR PRESENTATIONS

Attend APCNDT 2026 as a featured presenter and showcase your expertise at this international event, set against the breathtaking backdrop of Honolulu, Hawaii.

Under the theme *Breaking Barriers: NDT Solutions for a Changing World – Innovate, Adapt, Transform*, APCNDT 2026 provides a dynamic platform for you to share groundbreaking research, present innovative solutions, and shape the future of NDT on a global scale.

As a presenter, you'll:

- Gain recognition among leading professionals, researchers, and industry pioneers
- Engage in high-level discussions that drive the evolution of NDT technologies
- Showcase your insights and expertise across diverse industry sectors
- Expand your professional network and collaborate with peers worldwide.

Beyond the technical sessions, APCNDT 2026 offers a vibrant atmosphere for meaningful connections, knowledge exchange, and career-defining opportunities. Don't miss your chance to lead the conversation, influence the industry, and make a lasting impact—step into the spotlight at APCNDT 2026 and be part of the next wave of NDT innovation!

MAXIMIZE YOUR REACH

WHO WILL ATTEND APCNDT?

APCNDT 2026 will bring together a diverse range of industry professionals, experts, and decision-makers from key sectors, including:

Aerospace

Automotive and Transportation

Construction and Infrastructure

Energy (Oil & Gas, Nuclear, Renewable)

Manufacturing and Industrial Applications

Maritime and Offshore Engineering

Mining and Resources

Rail and Civil Engineering

Research and Development Institutions

Attendees will include engineers, technicians, researchers, policymakers, and executives, all focused on advancing non-destructive testing (NDT) and condition monitoring (CM) technologies to drive innovation, enhance safety, and improve industry standards.

A comprehensive marketing campaign will ensure maximum visibility for your organization, leveraging multiple channels to engage a global audience of NDT professionals.

ONLINE PRESENCE

APCNDT 2026 will feature a dedicated, continuously updated website offering attendees key information on the conference program, speakers, social events, and a dedicated section for sponsors and exhibitors to enhance visibility.

ELECTRONIC MARKETING

A strategic email marketing campaign will deliver regular updates to an extensive database of industry professionals. These communications will include program announcements, registration details, featured speakers, new sponsors and exhibitors, and social event highlights.

DIGITAL ADVERTISING

APCNDT 2026 will be promoted through an extensive digital marketing strategy, including:

- Related events and partner websites
- Targeted advertising campaigns

SOCIAL MEDIA ENGAGEMENT

With a strong presence on LinkedIn, APCNDT 2026 will leverage social media to share engaging content, industry insights, and event updates. Sponsors and exhibitors will have the opportunity to increase their brand visibility and interact with attendees before, during, and after the event.

GLOBAL REACH

The conference will be promoted through numerous international channels and partners, ensuring maximum exposure to a diverse and engaged audience of professionals, researchers, and decision-makers.

MOBILE APP CONNECTIVITY

The APCNDT 2026 event app will be available for download ahead of the conference, providing an interactive platform for sponsors and exhibitors to engage with delegates before, during, and after the event. Attendees can access schedules, speaker details, and exhibitor information at their fingertips.

With a strategic, multi-channel marketing approach, APCNDT 2026 offers an unparalleled opportunity for organizations to connect with industry leaders, showcase innovations, and expand their global presence.

SPONSORSHIP AND EXHIBITION OPPORTUNITIES

Participating in APCNDT 2026 provides your organization with a unique opportunity to engage with a highly targeted audience of industry professionals, showcase your innovations, and build lasting business relationships.

THIS EVENT WILL DELIVER...

UNMATCHED MARKET ACCESS

Gain four days of direct engagement with potential clients, allowing you to promote your products, services, and expertise while fostering long-term industry relationships.

POWERFUL BRAND POSITIONING

Sponsorship offers a proven marketing advantage, combining the reach of advertising, the effectiveness of direct engagement, and the influence of face-to-face networking.

THOUGHT LEADERSHIP AND INDUSTRY ALIGNMENT

Conference attendees are eager to expand their knowledge. Aligning your organization with this educational and technical event highlights your commitment to industry growth and professional development.

TARGETED EXPOSURE IN A DISTRACTION-FREE SETTING

Your brand will gain maximum visibility in an engaging, informative environment, free from the usual distractions of day-to-day business operations.

ACHIEVE STRATEGIC BUSINESS GOALS

APCNDT 2026 provides unparalleled access to your ideal market, ensuring that your investment aligns with your business development, lead generation, and industry influence objectives.

With a range of customizable sponsorship and exhibition options, APCNDT 2026 provides the perfect platform to enhance your industry presence, foster new collaborations, and drive business growth. Secure your spot today and maximize your impact at this world-class event!

LEVEL 1 SPONSOR

\$7,500

The Level I sponsorship is ideal for organizations seeking cost-effective sponsorship with strong visibility and engagement. This package ensures your company is recognized and appreciated for its support of APCNDT 2026, providing a range of valuable benefits that enhance your presence at the conference.

This sponsorship level is subject to limited availability and includes:

- 10'x10' booth
- Two full conference registrations
- Two tickets to the gala dinner
- Logo/link placement on the event website
- Logo placement on print signage, mobile app, and more

LEVEL 2 SPONSOR

\$15,000

The Level II sponsorship is designed for organizations looking to establish strong industry engagement and maximize visibility across all key sectors of NDT and CM.

Whether you're promoting a specific product or service or aiming to enhance brand awareness, this sponsorship provides an excellent platform to connect with a highly targeted audience and ensure your message resonates with industry professionals.

This sponsorship level is limited to three organizations and includes:

- 10'x20' booth near the front of the exhibition hall
- Four full conference registrations
- Two tickets to the gala dinner
- Logo/link placement on the event website
- One mobile app push notification during the conference
- Recognition from the main stage
- Logo placement on print signage, mobile app, and more

LEVEL 3 SPONSOR

\$25,000

This sponsorship provides the highest level of brand exposure and recognition. As a Level III supporter of the conference, you will benefit from maximum visibility before, during, and after the event, ensuring a strong and lasting presence among industry leaders and decision-makers.

Take advantage of prime branding opportunities, premium positioning in marketing materials, and direct engagement with attendees, making it the most impactful way to showcase your organization's leadership in the NDT industry.

This sponsorship tier is limited to three organizations and includes:

- 20'x20' booth at the front of the exhibition hall
- Six full conference registrations
- Four tickets to the gala dinner
- Logo/link placement on the front page of the event website
- Logo placement on all conference promotional communications
- One pre-conference email to registered attendees
- One mobile app push notification during the conference
- Recognition from the main stage
- Logo placement on print signage, mobile app, and more
