Join US at the 2020 CSNM Conference!

This is THE premier event for Canadian Food and Nutrition Managers to share their knowledge and expertise to network with their colleagues, and to potentially learn what YOUR company has to offer during our Vendor Showcase. The CSNM Conference draws a national audience of Food and Nutrition Managers who are accountable for leading Food Service operations in a variety of healthcare environments: including Long Term Care, Acute Care settings and other types of commercial Food Service areas. Many of the attendees may also be accountable for other areas such as housekeeping/environmental services, waste management and laundry/linen services.

Secure your spot today! The CSNM is dedicated to creating the best experience for your company by offering a variety of sponsorship options. Let us work with you to determine the best conference presence for your company and together Harness your Energy for a successful event. Thank you to our previous conference sponsors for your commitment to CSNM. Our success is a testament to the work we do with sponsors like you and we look forward to seeing you as well as any new sponsors in Toronto, June 17-19, 2020!

What do past Vendor Showcase participants say about their experience?

Consistently, nearly 90% of attendees rated their satisfaction with the CSNM Conference as Satisfied or Very Satisfied. Attendee feedback shows appreciation for the opportunity to be face to face with our suppliers, vendors and industry partners. CSNM membership continues to grow year after year thereby bringing in new members who are potential users of YOUR products and services. These great results, along with feedback from vendors and sponsors have made the Vendor Showcase an integral and expanding component of the CSNM Annual Conference and AGM since 2008.
