Limited Parking Spots Available

There are over 100 parking spots available throughout two levels of the parkade, however, shared between Events and Hotel guests. So car pulling or ride share would be recommended for big size events such as holiday parties or weddings. Once the on-site lot is full, suggested other parking options are:

- street parking on Corvette Way
- two-minute walk: EasyPark Lot #187 (ViewStar Tower, 8160 McMy Way)
- six-minute walk: EasyPark Lot #1269 (Int. Trade Centre, 8451 Bridgeport Road)

We are not associated with management of these parking lots so please proceed to park at your discretion and remit payment accordingly to their posted rates.
