

CINE GEAR EXPO ATL 2025

Forklift/Storage Order Information

#2025CineGearExpoATL

If forklift services are required to unload a freight shipment (including items delivered via Bluebird Express) they must be ordered in advance. You may place these orders in the Exhibitor Portal or Exhibitor Add-Ons Order Form. The personalized links for these pages have been sent via email to the primary and additional booth contacts. Contact exhibit@cinegearexpo.com if you are unable to locate your link.

Please place your order by September 19. Prices will increase by 25% after this date. Onsite orders (orders placed September 29 or later) are subject to a 50% increase and are subject to availability.

Please note: The maximum size for any box or piece of equipment is 66" wide x 72" high x 60" deep.
