Care Coordination

Humboldt County, California is an extremely rural county of approximately 135,000 residents, including 11 recognized Native American tribes and 7 incorporated cities. Covering 3,568 square miles, the county includes a productive bay and harbor on the Pacific Ocean and stretches east into rugged, sparsely populated coastal mountains. The transportation distances and restrictions isolate Humboldt, resulting in an island-like economy.

HOME Division Components

- Mobile Outreach and Engagement
- Housing Navigation Services
- Housing Support Services
- Resident Services Coordination

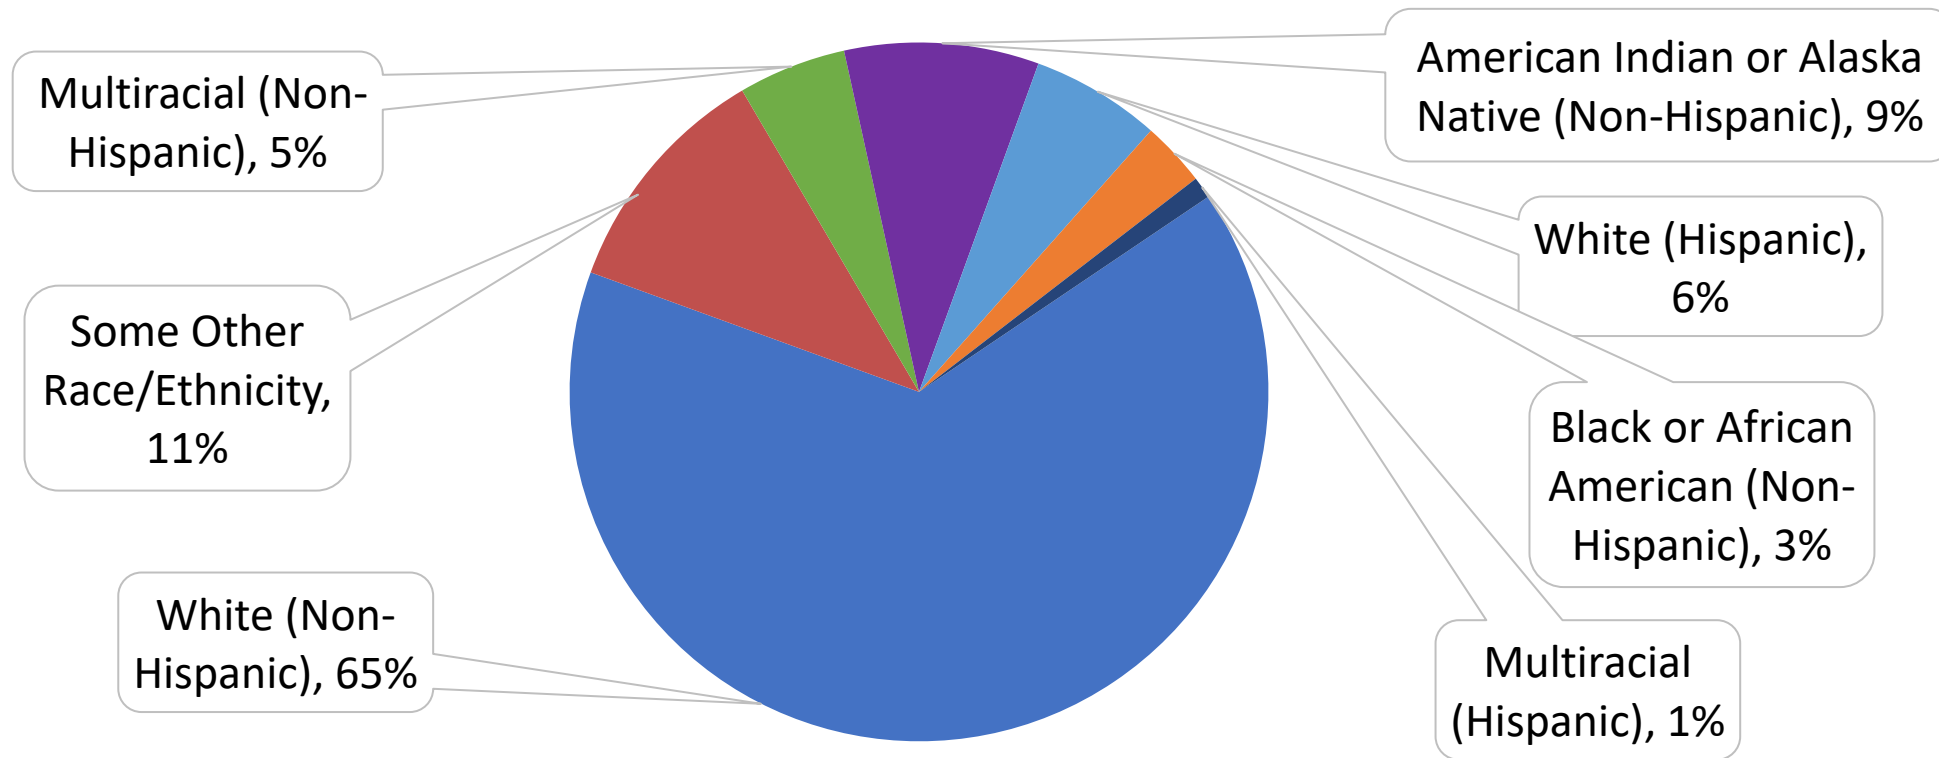

Source: DHHS Housing Data

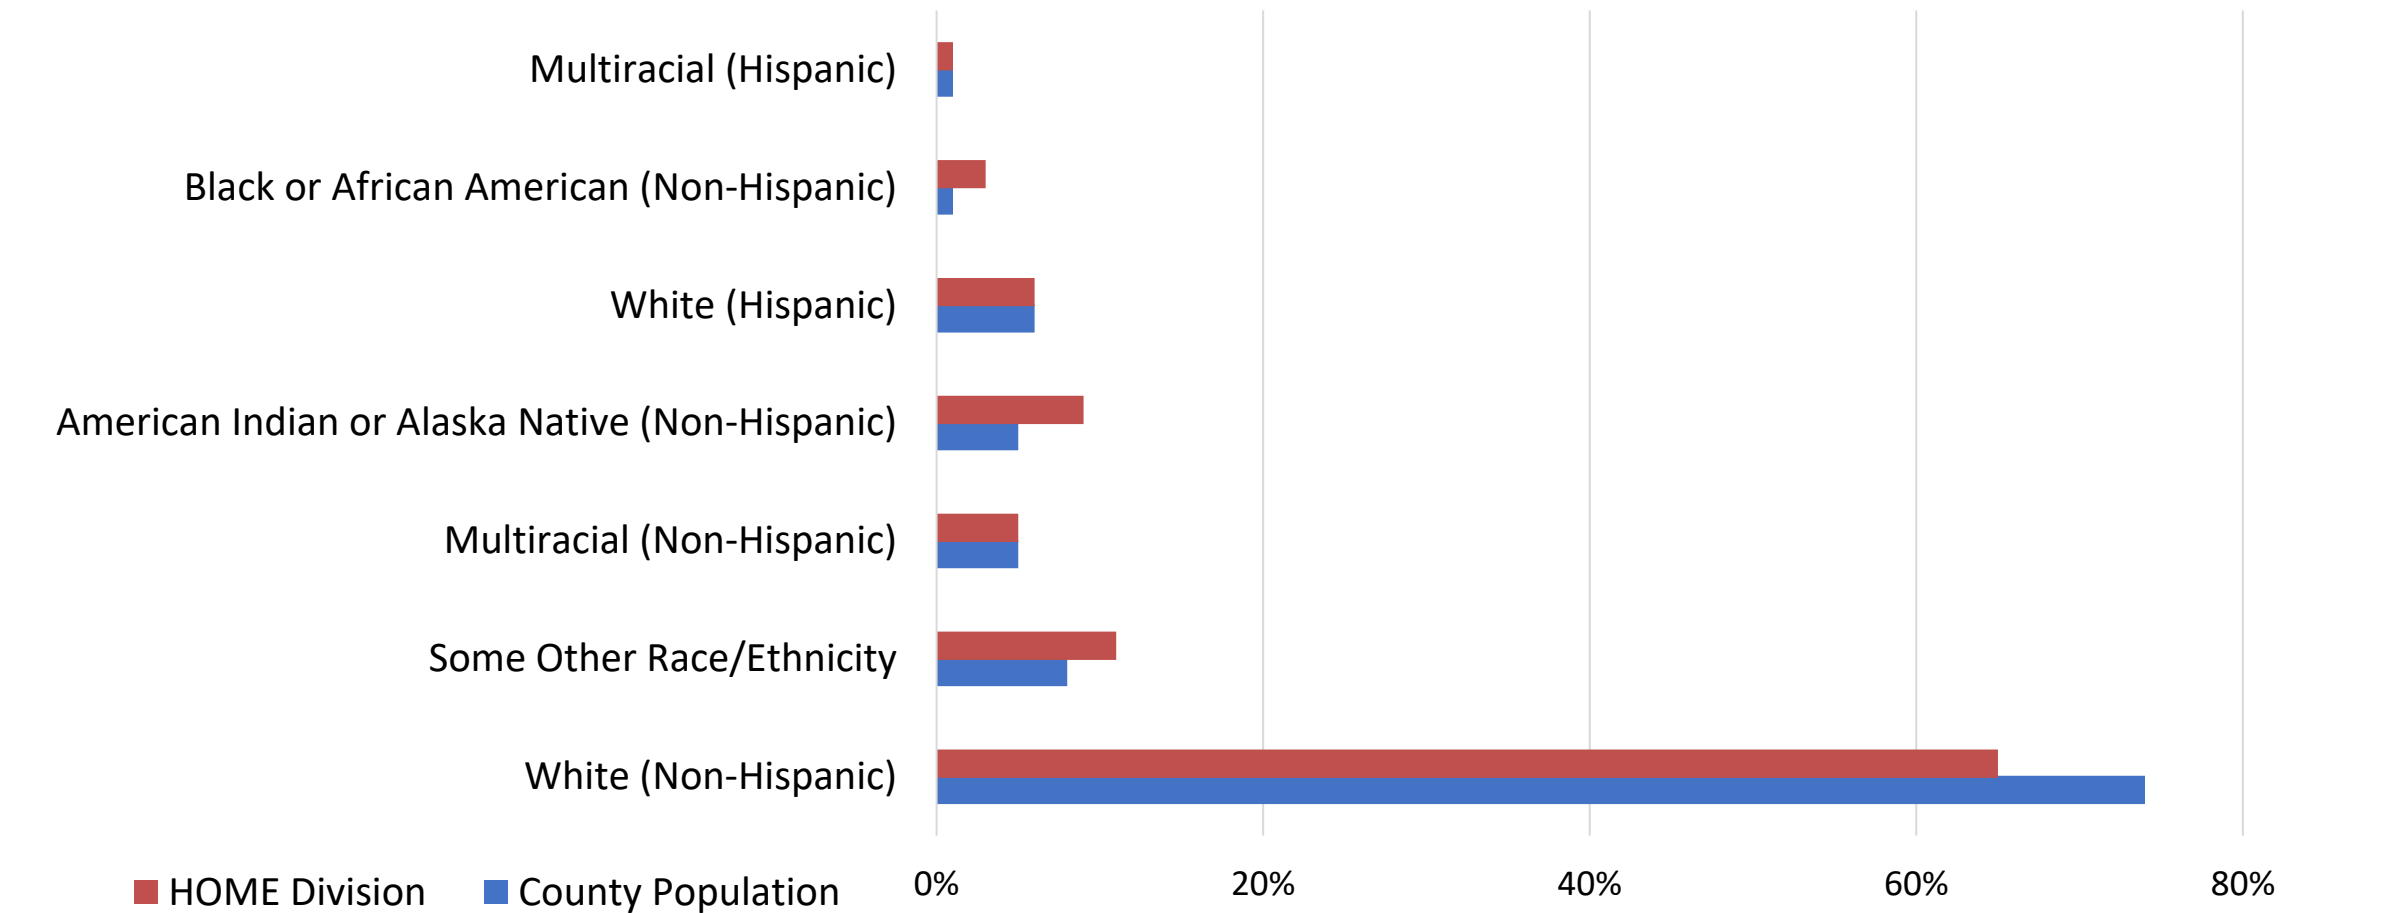

Intended Outcomes

- Reduction in homelessness for families and individuals with a serious mental illness.
- Decrease in the number of jail bookings.
- Decrease in the number of hospital and emergency department admissions.
- Decrease in the number of crisis stabilizations and psychiatric hospitalizations.
- Reduce the number of families in the child welfare system experiencing homelessness.
- Increase family reunification.
- Prevent foster care placements.
- Increase health and wellness and the ability to fully participate in community.

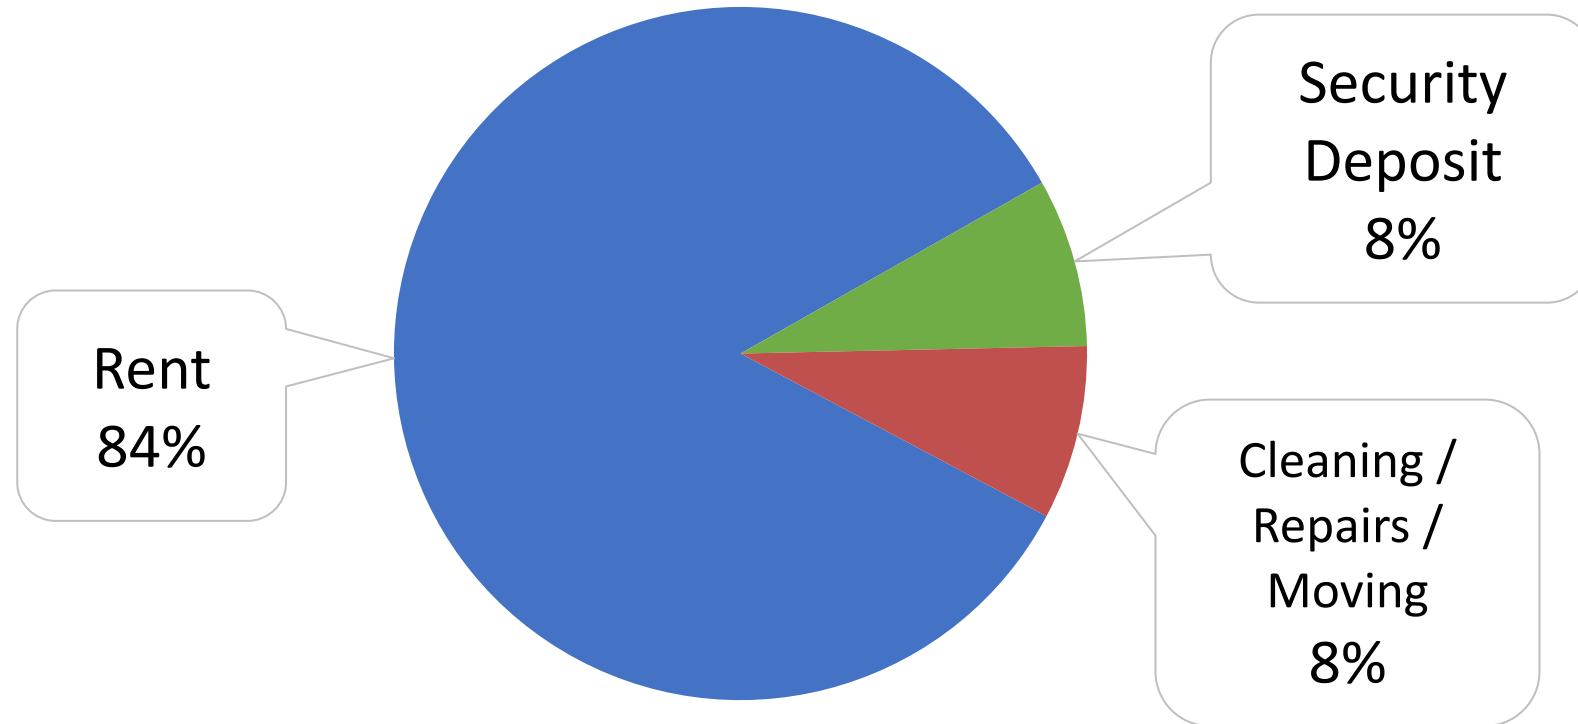

HOME Division Race (Ethnicity)

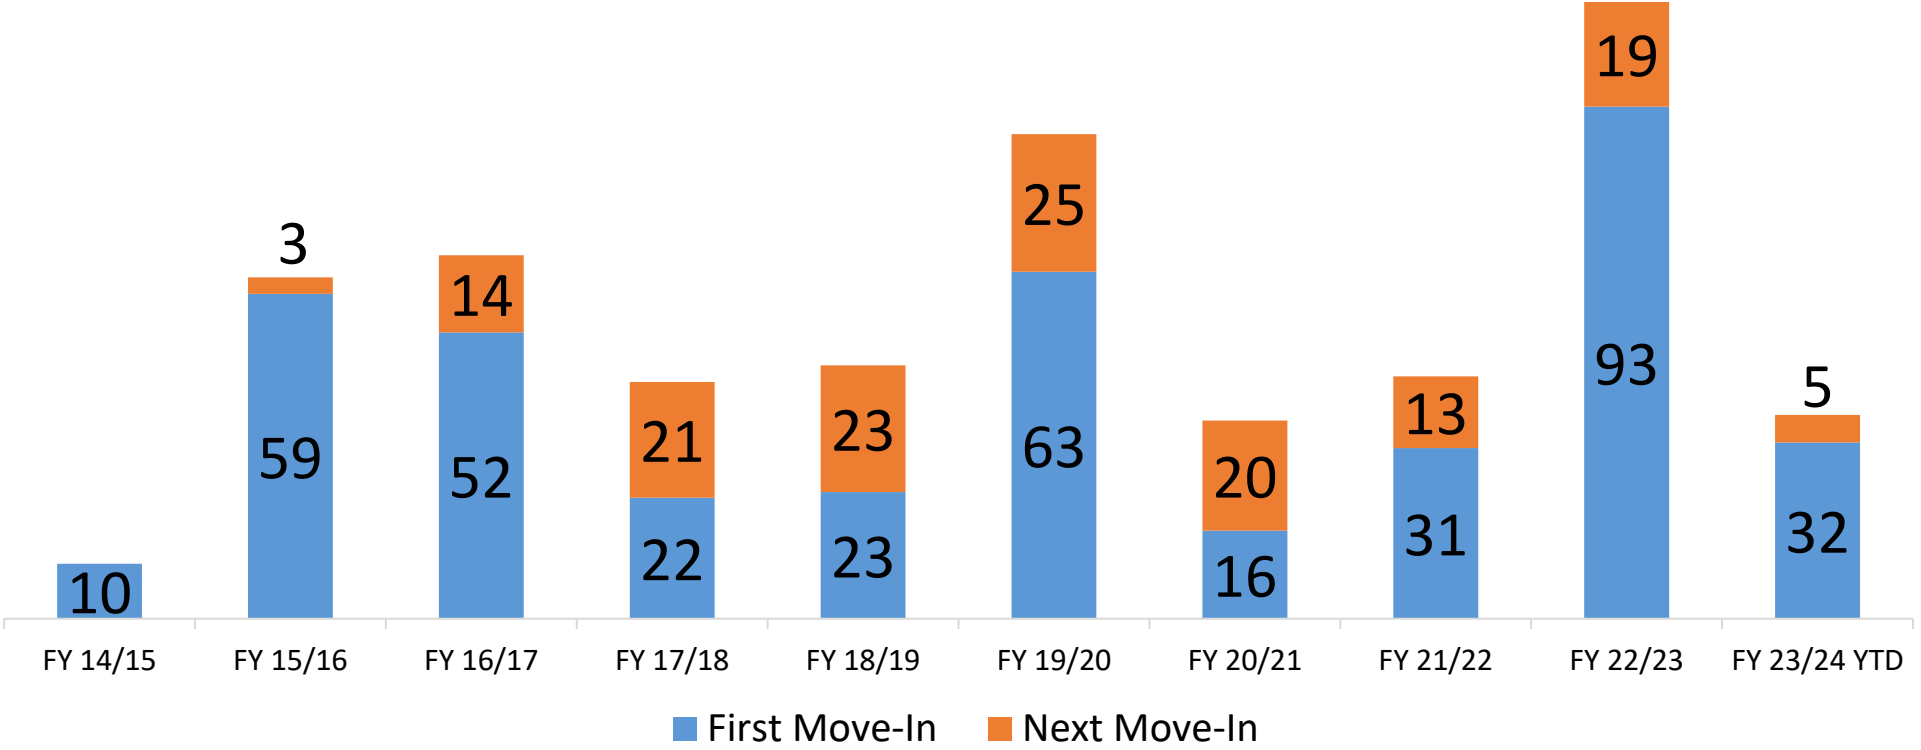

Race(Ethnicity) of HOME Division vs. County Population

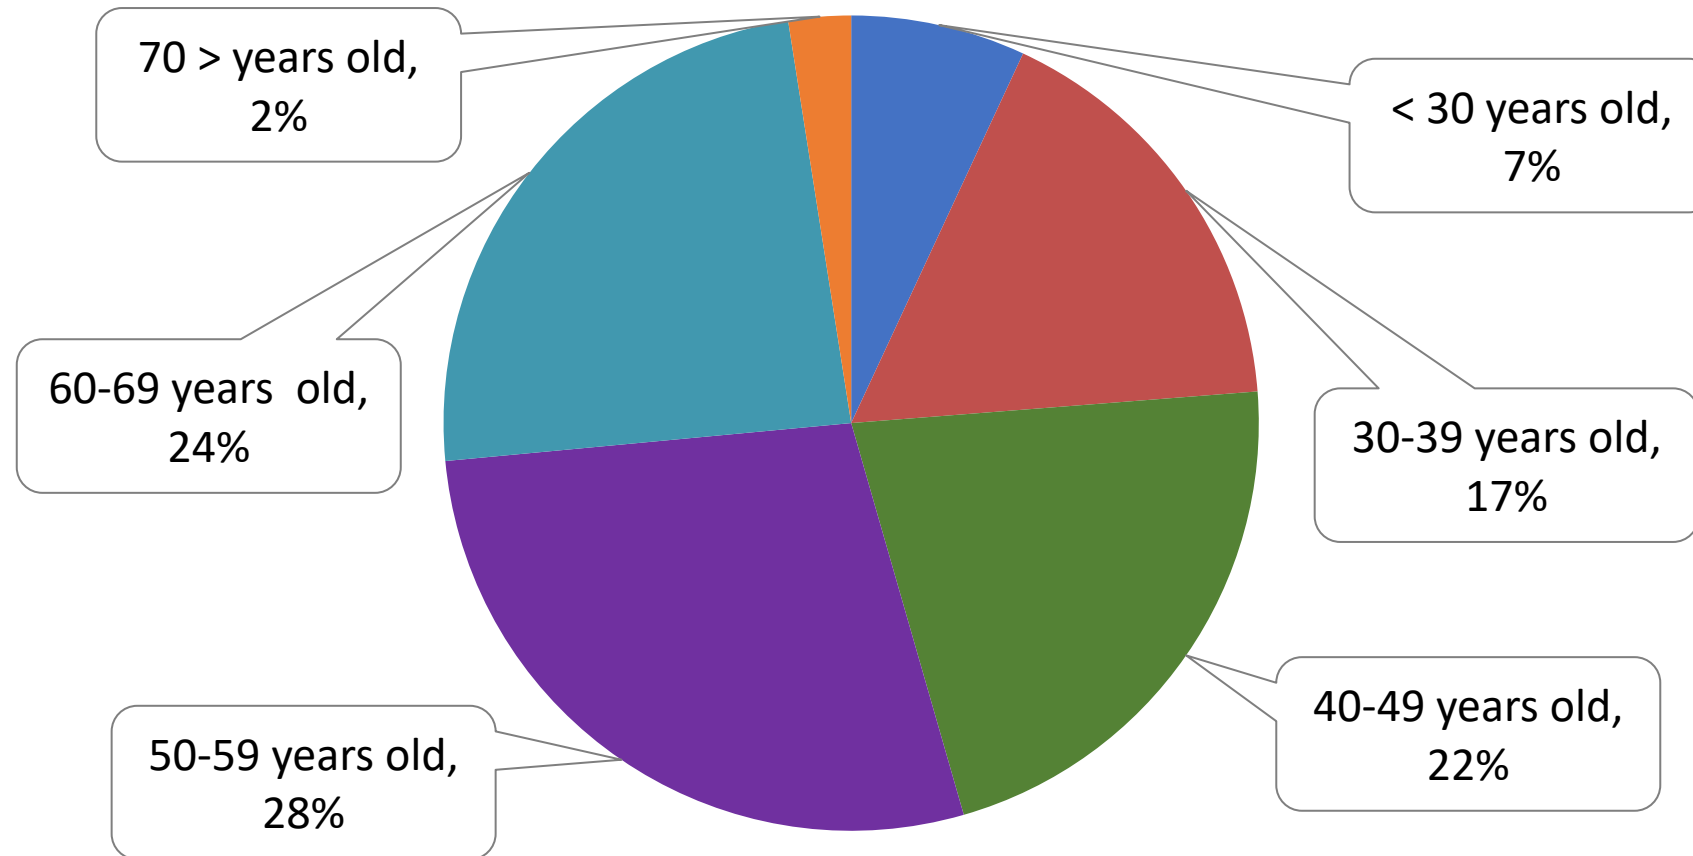

Funding Utilization for Rent vs. Security Deposit vs. Cleaning/Repairs/Moving Expenses

HOME Division Number of Move-Ins

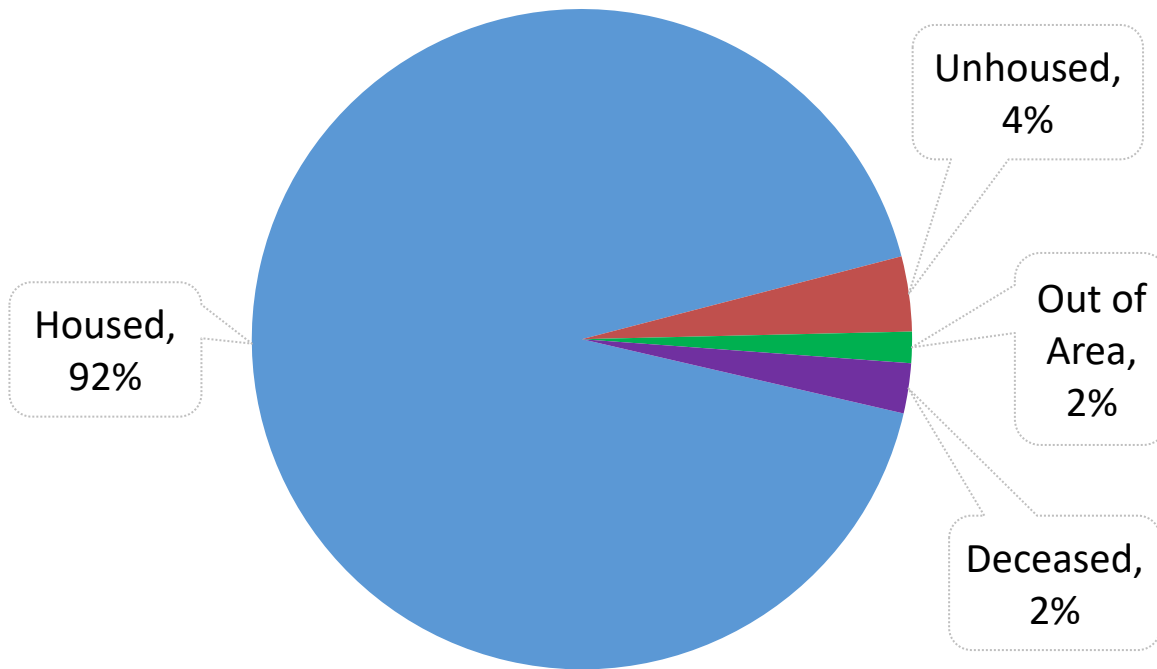

HOME Division Client Age Ranges
