

METABOLOMICS2025

PRAGUE, CZECH REPUBLIC

JUNE 22-26

21st Annual Conference of the Metabolomics Society

Exhibition and Sponsorship

BROCHURE

metabolomics2025.org

Abstract Deadline: March 2025

WELCOME to Prague!

Dear Colleagues,

We are delighted to invite you to the **21st Annual International Conference of the Metabolomics Society**, which will be held in Prague, Czech Republic on June 22-26, 2025, at the Prague Congress Centre. The capital city of Prague, the historic heart of Europe, is known for its stunning architecture, rich heritage and vibrant cultural scene and offers an inspiring setting for our conference.

The conference is the official annual meeting of the Metabolomics Society, and the largest metabolomics meeting worldwide. The major scientific themes will include Metabolomics in Health and Disease; Metabolomics of Plants, Food, Environment and Microbes; Technology Advances in Metabolomics; and Computational Metabolomics, Statistics, and Bioinformatics. Beyond the main topics, the conference will place a particular focus on **the increasingly important role that metabolomics plays in fundamental biology research**. We look forward to welcoming the metabolomics community, building strong connections, and discussing world-class research in a relaxed, collegial environment. The scientific program will include plenary and keynote talks, parallel scientific sessions, interactive poster sessions, sponsor lunches, and specially-organized workshops. To complement our exciting scientific

program, the conference will offer a welcome reception, conference dinner, and vibrant early-career events where we welcome sponsors to meet with potential employment applicants!

Based on the experience of our previous meetings and the conference's convenient location in the center of Europe, we expect ~1000 participants, including a high proportion of senior scientific leaders with the highest purchasing authority. By taking advantage of the attractive exhibition and sponsorship packages available, you will have the opportunity to position your brand and products at the forefront of the metabolomics and lipidomics community.

Your support is extremely important to the success of the meeting, helping to keep registration costs down which allows more of our younger scientists to attend, while providing you and your colleagues with the opportunity to meet and discuss advances in the field with a wide audience.

On behalf of the Scientific Organizing Committee and the Metabolomics Society Board of Directors, we cordially invite you to Metabolomics 2025. We look forward to working with you and welcoming you to historic Prague!

Tomáš Pluskal & David Friedecký
Co-chairs of Scientific Organizing Committee

What is included in my booth?

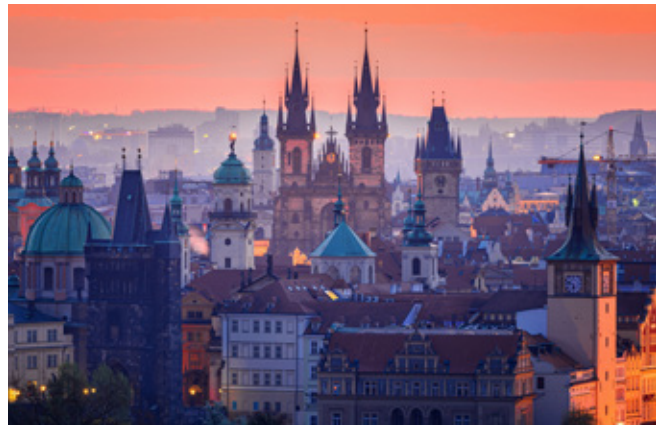

PLATINUM + GOLD SPONSORS:

- The sponsorship package includes ONLY the dedicated space in the Exhibit area
- Custom booth builds, shell scheme or display items are the responsibility of the sponsor
- We encourage you to work with the decorator to create a free-standing custom booth (most popular) or a shell scheme
- You can order and pay for additional items through the Exhibitor Kit, including electrical power.

SILVER + START-UP + UNIVERSITY/NON-PROFIT SPONSORS:

- Table top displays will be provided (1) table (appx 183cm or 6') and (2) chairs
- You can order and pay for additional items through the Exhibitor Kit, including electrical power.

The floor plan to select your booth location will be available in March. Booth selection happens in the order of payment received; as soon as you have completed your online registration and submitted payment, your space is secure and you will select a booth location in that order.
