The abstract deadline is Jan.15. Authors will be informed about acceptance for presentation via email. The organizers expect that there will be more abstracts submitted with preference for oral presentation than can be accommodated in the program. They will inform those who submit abstracts for oral presentation whether the paper is scheduled for oral or poster presentation and will aim to do so by Feb.15. Please note that there will be ample time for discussion of posters built into the conference schedule.

Abstracts that do not meet these formatting requirements will be returned. The organizing committee reserves the right to edit abstracts for clarity or correctness of English.
