

**USTDA**  
U.S. TRADE AND DEVELOPMENT AGENCY

**U.S.-AFRICA PUBLIC PRIVATE  
PARTNERSHIPS FOR  
INFRASTRUCTURE WORKSHOP**

OCTOBER 2-3, 2024  
NAIROBI, KENYA

IN COLLABORATION WITH

**Sandra Agola**

*Senior BD Associate*

*Globeleq*

With more than nine years of experience in the energy sector, Sandra actively contributes to the development efforts in solar, geothermal, and wind in East and Southern Africa. She was a crucial member of the team behind the successful development of the now-operational 40 MW Malindi Solar Plant and the 35 MW Menengai Geothermal Plant which is currently under construction, both plants are under Globeleq's portfolio. Sandra joined Globeleq in 2016 and previously worked for Aldwych Africa Development Limited. Her career spans investment management and consultancy services for companies in the USA and Kenya. Sandra is skilled in research, investment analysis, and project management and holds a Master's degree in Business Administration (Corporate Finance) from Loyola University, Chicago, IL, USA.
