

## Civil Nuclear Energy Workshop: Partnering for Implementation

OCTOBER 8-9, 2024 | KNOXVILLE, TN

### **Kamil Tuček**

*Team Leader*

*European Commission, Directorate-General for Energy*

Kamil Tuček is team leader at the European Commission's Directorate-General for Energy, Unit ENER.D.2 – Nuclear energy, nuclear waste and decommissioning, in Luxembourg. He received his Ph.D. in Physics from the Royal Institute of Technology (KTH) in Stockholm in 2004 and his M.Sc. in Nuclear Engineering from the Czech Technical University in Prague in 1996. His technical background includes advanced reactor systems, related material compatibility and safety assessments, as well as energy system integration in the evolving markets. Prior to his current position, he held research posts at the Nuclear Research Centre in Řež, Czech Republic, KTH, Karlsruhe Institute of Technology (KIT), and the European Commission's Joint Research Centre (JRC).

### Organization Overview:

Withing the European Commission's Directorate-General for Energy (DG ENER), ENER.D.2 "Nuclear energy, nuclear waste and decommissioning" Unit is responsible for nuclear energy market developments, setting policies for the nuclear back end and legislation on nuclear waste, and the management of the Nuclear Decommissioning Assistance Programmes.

### Delegate Interests:

Listed topics are sufficient for now

### Topics / subjects the delegate wishes to be included in the Workshop and site visits :

SMRs, new-build technologies
