IN COLLABORATION WITH

Suleiman Kiula

Project Appraisal Officer

Tanzania Public Private Partnership Centre

Dr. Suleiman is a highly skilled and experienced National Strategies (NSS) specialist who has a deep understanding of National strategic areas of interest in alignment with the sustainable development goals framework. With over 15 years of experience in working with public sector, he has successfully delivered various multinational companies to operate locally in the strategic areas such as Information Technology infrastructural solutions, Real Estate and Massive constructions, Agricultural mechanization and related inputs and played a key role in the resource mobilization for Strategic investment projects through his regional and international networks. As a National Strategy (NSS) Specialist, Dr. Suleiman has a unique combination of Strategic, Security and business administration plus finance skills, which enables him to understand and structure for implementation Investment programs that promote Public Private Producer Partnership (PPPP). He is committed to delivering exceptional results in his work. Dr. Suleiman plays a crucial role in the success of PPP projects by utilizing his knowledge in business structuring, legal compliance, negotiation, and contracting. His ability to identify potential risks and create strategies to mitigate financial, legal, operational, and reputational risks is invaluable. Moreover, his monitoring and evaluation skills ensure that PPP projects effectively deliver expected advantages to both the public and private sectors. In addition to his technical skills, Dr. Suleiman has high-level written and oral presentation skills in English, Swahili and basic Arabic, outstanding project and team management skills, and strong data analysis skills. Having worked with the government of United Republic of Tanzania and international partners, He has a deep understanding of stakeholder's expectation in the foreign investment projects. Dr. Suleiman brings a valuable set of qualities to any team involved in the creation and execution of PPP projects. His professionalism, extensive expertise, and capabilities are assets that contribute to his clients receiving top-tier service. He is dedicated to cultivating strong, trustworthy relationships with his clients, characterized by respect, mutual understanding, and trust. Dr. Suleiman holds a Degree of Philosophy in National Strategy from the Defense College of Nasser Higher Military Academy in Egypt, a degree of Master of Strategic and Security Studies from National Defence College, a degree of Master of Business Administration in Corporate Management from Mzumbe University and an Advanced Diploma in Accountancy from Tanzania Institute of Accountancy. He is currently working in a Project Development and Appraisal Schedule of Tanzania and Personal Assistant to the Executive Director of Public Private Partnership Centre (PPPC), a government institution operating under the Ministry of Finance mandated with the role of Coordinating and facilitating Public Private Engagement in Tanzania.
